VII. This Conference prays that the Government will be pleased to open a complete secondary school at Nellore for girls.

VIII. This Conference is of opinion that the school fee income realised in lower grade elementary schools under local boards should be distributed among the teachers in the school instead of its being appropriated by headmasters as at present.

XXIII. This Conference is of opinion,

(1) that the study of Telugu Grammar suitable to the several classes (Standards and Forms) be made compulsory in each class.

(2) that as is done in the case of English Text books only such Telugu books as are written in conformity with the rules of Grammar and Composition be prescribed as Text books.

(3) that in the matter of appointments to the Telugu Text Book Committee and Board of Telugu Examiners, only persons with extensive knowledge of Telugu Language and Literature should be selected.

(4) that a Training School be established for training Pandits for teaching Telugu.
