Sir,

Adverting to G.O. No 589 Mis, dated 4-7-912 communicating the Director of Public Instruction's endt. No 2709/12 dated 21-6-912, I have the honour to renew the application for allotment from Provincial funds for the advancement of elementary education in this municipality forwarded with this office R.C. No 114 dated 27-5-12.

The District N[illegible]al Inspector of schools in his Endorsement N.R.C No 183 Mis of 13 dated 11-2-13 recommends Sub Assistant Inspectors of schools' proposal that, as the next official year is approaching the Director of Public Instruction may be requested to sanction the allotment so that the proposals may be given effect to from 1-4-1913.

As the Director of Public Instruction was pleased to inform me in his letter Ref on C. No. 2729 of 12 dated 14-6-1912 that owing to late receipt of application he was unable to propose any contribution for the purpose and as he was pleased to say in his endt. referred to above that the proposal was noted for next year (1913-14) or for the future as funds are available and as the Educational Officers of the locality have selected that this municipality should be one of the immediate recipients of assistance from Provincial funds and finally as Government in their Order No 608 Educational dated 9-7-12 were pleased to hold out that the grants now sanctioned must be looked upon as a first instalment in a longer programme

Ⓘ

I request you will be so kind as to sanction the allotment appi-

Through, The Director of Public Instructio
Madras.
Through, the Collector of Vizagapatam.

Sir,

Adverting to the Director of Public Instruction's Circular R.C. No 272/12 dated 20-4-912 directing to submit proposals for special grants from Pr -vincial funds for erection of buildin for Elementary schools under the ma -nagement of local boards and muni -pal Councils and for their Equipment I have the honour to submit herei in my proposals in personal Consultatio with the District Assistant Inspector of Schools.

6

In the first instalment of proposals submitted by the District Assistant Inspector of Schools to the Director of Public Instruction for the advancement of Elementary Educatio in the Municipality he has proposed the Conversion of the Kandrikuriwari and Palivelavari aided schools into Municipal ones, which the Council has accepted on the understanding that the cost of maintaining the same be met from Provincial funds as informed by the District Assistant Inspector of Schools in his personal interview with me. (Vide resolution of the Council a copy of which is enclosed.)

The two schools referred to above are in a very bad need of suitable accommodation. The District Assistant Inspector has rightly suggested that the two schools referred to above be locate in the Government Anglo vernacular school building. It has been vacant ever since the Municipal Secondary school was closed. The building requires urgent repairs and the Assistant Inspector has therefore provided Rs 1000/- for the same. In this connection I beg to submit that the amount proposed

proposed by him is too inadequate fo this reason: that in 1910 when the Executive Engineer was asked to prepare detailed Estimates for the repairs to the building which was to be vacated being in need of it he estimated it at a cost of Rs 2620 as will be seen from the Estimate and plans submitted herewith which may be returned when done with.

In view of the above facts I beg to request you will be so good as to move Government and obtain their sanction for an allotment of at least Rs 2000/- as against Rs 1000/- provided for by the Assistant Inspector.

2. Panchama School.—

It has no building of its own nor is there any suitable building available for rent. Government may therefore be pleased to sanction the amount of Rs 1500/- as recommended by the Assistant Inspector for the construction of a building.

A copy of Council's resolution No 13 dated 24-5-1912 and the letter from the Assistant Inspector are enclosed.

I have the honour to be etc

12. Read letter C. No 2729/12 dated 20-4-12 from the Director of Public Instruction informing that Government have allotted a sum of Rs 9,15,000 for contribution to local bodies and Municipal Councils for the construction of buildings for Elementary schools under their management and for their equipment and requesting to let him know for what schools buildings could be constructed during the current financial year and at what cost.

(2) This Office letter dated 21-4-12 to the District Assistant Inspector of Schools inviting his proposals on the subject.

(3) Letter R.C. No 144 of 12 dated 9.5-12 from the District Assistant Inspector of schools to the Director of Public Instruction submitting proposal for an allotment of Rs2500/- towards the repairs of the Anglo-vernacular school building & the construction of Panchama school building.

As for the allotment of Rs2500/ recommended by the District Assistant Inspector of schools for the repairs to the Anglo-vernacular school building and for the construction of Panchama school building the Council of opinion that the proposals are commendable and that the allotment of Rs 1000 proposed for the former of the two is quite inadequate in view of the fact that the amount estimated for by the Executive Engineer was Rs 2620/- and therefore request Government to raise the allotment from Rs 1000/- to Rs 2000/
