Dear Sir,

By telegram No 34 dated 14 March, the Madras Govt informed me that the Govt of India proposed to recommend me for a post in the Indian Educational Service in Bihar, & asked whether I would accept the post if appointed. On the 15 March, I wired accepting the offer.

I have not yet heard anything about the Secretary of State's decision,

17/4

and, I suppose, shall not hear for some time to come. In this connection I should like to ask a favour. When the decision of the Secretary of State reaches the Madras Government, may I ask you to be so kind as to send me a wire, telling me whether the Secretary of State has sanctioned my appointment, and, if he has sanctioned it, on what date I should join. I venture to make this request, because it will be a great convenience to me to know as soon as possible concerning these two points. My address will be, from the 16th inst., Woodlands Hotel, Darjeeling.

Yours sincerely

T. C. Orgill

From Mr. Orgill's letter over-leaf, it will be seen that he is now staying at Darjeelin It may not therefore be possible to arrange for his medical examination by the Madras Government; nor would it be advisable to bring down Mr. Orgill to undergo such examination somewhere in this Presidency. It is therefore submitted that the Government of India may be informed that Mr. Orgill is now at Darjeeling and that they may arrange with the Government of Bengal or otherwise for his medical examination. ~~Xxxxxxxx~~ The Surgeon-General may at the same time be informed that he need not take any action on Memorandum No.1239-1, Edl., dated 16th April 1913 unless he hears again.
