(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,
Educational ~~Local and Municipal~~ Department.

Sir,

The Principal of the Teachers' College, Saidapet, reports that there is some demand for the bulletins issued by the College from teachers employed in secondary schools and suggests that the Superintendent, Government Press, may be asked to print and stock for sale at the Press a fairly large number of copies of them.

2. Copies of the History, Elementary Science and Elementary Mathematics Bulletins have till now been issued by the Press, and supplied to the Principal for distribution to all recognized secondary institutions as ordered in G.O.

SK 17/13

④ No. 184 Educational, dated 27th February 1913. A stock of these has not been kept at the Press for sale to the public.

3. I have the honour to request, therefore, that sanction of Government may be obtained for printing extra copies of these bulletins and for keeping a stock of them at the Press so that they may be available for sale to the Public.

4. As certain further bulletins are now in the Press, I request the favour of early orders in order to avoid the necessity for setting up fresh type.

I have the honour to be,

S i r,

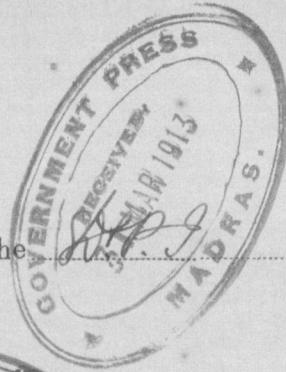

Your most obedient servant,

R. A. Arive.

I have no objection to selling these Bulletins on the same terms as other publications as long as I am not required to make the free distribution as well. ^{Selling here} ~~the~~ ~~price~~ will have to be increased by 50% if they are to be sold by bookellers as well. In such a large free distribution I do not anticipate that many copies will be sold. A somewhat similar pubn. "Suggestion relating to the teaching of Vernaculars" has sold at the rate of 3 cps per year!

In the circumstances explained by the Insp^r Govt Press, in his note overleaf ~~that~~ it is for consideration whether the ~~books~~ bulletins should be made available for sale and if so whether ~~it~~ they should be sold by booksellers. The D.P. may perhaps be consulted as.

SK 7.4.13. The D.P. ^{does} takes note of the free distribution ~~advised~~ sanctioned in p. 184. & 27. 2-13, but presumes that there will ^{still} be some demand from secondary school teachers. The S.G.P. (in the first sentence) raises no objection to keep a stock for sale, if free distribution is not also thrown on the Press. In his letter no 9200, & 6.2.13 the D.P. stated that the distribution might be made by the College. There seems therefore to be no objection to issue orders to the S.G.P. to keep a stock for sale as requested by the Dir. Public may be asked to state whether they agree to the course suggested.

Ch. That seems necessary to 9.4.13. K. M. Public. The D.P. is proposed to be approved. J. M.
