Draft answer to Question No.2.

The Government regret that they cannot furnish the particulars desired, partly because complete information is not available and partly for the reason that they are not prepared to publish the grounds for refusing to make or to enhance grants to individual schools. That is a matter which lies between the Department and the manager in each case. The ~~total~~ ^{total} grant actually paid ~~under all~~ ^{to each} school is given embodied in the subsidiary tables ~~annually~~ published with the annual reports on Public Instruction.

The question & answer as finally
approved stand as follows:—

Grants-in-aid

schools from
Imperial
subsidy.

Question 13. Will Government be pleased to lay on the table a list of all the schools that applied for a share of the Imperial grant for aided secondary schools which was the subject of G.O. No. 598, Educational, dated 5th July 1912, showing in each case (a) whether the school was already in receipt of teaching grants, (b) the amount applied for, (c) the amount actually paid, (d) the object to which it was devoted, i.e., increased pay or provident fund, and (e) in cases where no grant was given, the reason?

Answer 13—

The Government regret that they cannot furnish the particulars desired, partly because complete information is not available and partly for the reason that they are not prepared to publish the grounds for refusing to make or to enhance grants to individual schools. The total grant actually paid to each school is given in the subsidiary tables published with the annual reports on public instruction.

The Hon'ble Mr. V. S. SRINIVASA SASTRI:—"May I ask whether any Board or Municipal School has received a share of this grant?"

The Hon'ble Sir ALFRED BOURNE:—"The answer is no."
