The information required by the additional member is already contained in Public Instruction Report for 1911-12. The figures required for items 1(a), 1(b), & 2(a) and 2(b) of the Tabular Statement can be compiled from subsidiary tables 2 and 3, and those for items 3(a) and 3(b) from general table No.10. It is for consideration whether the additional member may be referred to these tables. A copy of Vol.II of the Public Instruction Report may perhaps be furnished to him for reference and return so that he may use it if he has not already got a copy.

I am pretty certain he has at least one copy of reads. It is an E.T. paper - vol I - & vol II is available for sale

2. The figures required have however been compiled and a tabular statement is placed below. slip (B)

3. This requisition for information seems to be connected directly with the resolutions Nos.10 and 21 relating to provident fund and the ^{revision} ~~provision~~ of the grant-in-aid code ^{respectively} and indirectly with resolution ~~Nos.10~~ Nos. 16 and 20 regarding the application of the Grant-in-aid Code to board secondary schools and the revision of the educational ~~rules~~ ^{rules}. The reply has therefore to be approved by His Excellency and the Hon'ble Sir Harold Stuart.
