It does not appear that the Govt. have sanctioned an annual grant of Rs 6,000 to any industrial institution proposed to be started at Tanjore. Perhaps the additional member is referring to an application on the subject which is on its way to Govt. The D.P.I. may be requested to state whether any application has been received by him.

P.D.
20.3.13 Please see the Secretary's note of 5th February 1913 in Lm regarding the opening of an industrial school by the Siberian Mission. It is stated therein that the mission "will ask for recurring grants." Perhaps the additional member's question refers to this. On the 4th February, Mr. Tressler stated that the scheme was then under discussion with him. It is submitted that the question ~~is~~ maybe answered in the negative. The D.P.I. may see the file no.
