From (Name) The Hon Sir Alfred Gibbs Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

Mr. R. D. Mathias, one of the applicants for admission to the Government Training Class, Sanawar, to whom payment of railway fares and stipend was sanctioned in G. O. No. 97, Miscellaneous, Educational, dated 7th February 1913, was, on receipt of the G. O., told to hold himself in readiness to proceed to and report himself at Sanawar on the 1st March 1913. He misunderstood this order and without awaiting further instructions started from Madras on the 23rd February 1913 and reported himself at Sanawar where he was informed that he could not be admitted for want of a vacancy. Copies of letters from the Superintendent of the Training Class, Nos. 273 & 285 of the 3rd and 14th March 1913 respectively, and also copy of letter from Mr. Mathias, dated

SK
1114

28th March 1913 explaining the circumstances under which he proceeded to Sanawar are submitted herewith. Mr. Mathias has now submitted a claim for payment of double second class railway fare to and from Sanawar. As he proceeded to ---- Sanawar without specific instructions to that effect, he should be considered to have done it on his own responsibility and therefore to have no claim for payment of travelling allowance. But, as it is clear that he really misunderstood the order and that having been granted a stipend and his travelling allowance, he thought that his admission into the Training Class was a matter of course, a view I entertained myself, I think his case deserves some consideration. I have, therefore, the honour to recommend payment of single second class fare for his journey to and from Sanawar. If this is sanctioned, the Superintendent of the Training Class will be advised to recover the sum of Rs. 50/- advanced by him to Mr. Mathias.

Sir,

Your most obedient servant,

To

The Director of Public Instruction,

M a d r a s.

Sir,

In accordance with the instructions in your letter dated 13th February 1913, Ref. on C. No. 350 of 1913, I beg to bring to your notice that I started from Madras on 23rd February, to join the Training Class at Sanawar and report myself on 1st March 1913. I travelled without -- halting at any intermediate station and reached Dharmapore (near Simla) on 27th evening and reported myself at Sanawar that very evening.

B | As I received no order from Sanawar, or the Director Public Instruction's Office, contravening the above ---- mentioned instructions, I started from Madras on 23rd February, the latest date I could start on, if I was to reach Sanawar in time. The Superintendent's letter that there is no vacancy this year was despatched from the --- Director of Public Instruction's Office on 25th February and was received by me in Simla on 4th March. I could not have reported myself on 1st March if I had not started at least 5 days before that date, i.e., on 23rd February, although I could have started on 18th February, according to the time allowed by the Government to travel long distances according to Civil Service Regulations, the distance from Madras to Sanawar being nearly 2,000 miles. I did not avail myself of the benefits of the above rules and waited until the latest day.

I have to represent that I have had to undergo considerable expenditure in this connection, as I had to forfeit one month's pay and allowances in my office, having been granted leave on loss of pay, provide myself with warm clothing

I beg to request you kindly to allow me double second class fare which I am granted in Government employ, to --- cover my expenses of travelling, luggage charges, food etc.

Ref. on C. No. 350, dated 19th February 1913.

Sir,

I have the honour to bring to your notice, with reference to the case of Mr. Mathias, who was awarded a stipend by the Madras Government, that in spite of the fact that he was told by you only to hold himself in readiness to proceed to Sanawar in case there might be vacancy for him and in spite of the fact that he received a letter from me telling him that there was no vacancy for him, he travelled up to Sanawar and demanded admission into the Training class. one vacancy which was a possibility, as I mentioned in letter to you No. 267 T. C., dated 25th February 1913, has been utilized by the candidate from the United Province. So I am afraid it is quite impossible for me to take Mr. Mathias.

I regret extremely that he took upon himself the journey, but he did it entirely on his own responsibility. He never had an order from you otherwise than simply to hold himself in readiness, while he actually received from me telling him there was no vacancy before he started on his journey.

I have the honour etc.,

Sir,

In continuation of my letter No. 273, dated 3rd March 1913, I have the honour to state that Mr. Mathias finding himself stranded here, applied to me for assistance to enable him to return to Madras. I advanced him the sum of Rs. 50/- as he assured me he had no money. As I am unable to recover this money from Government and it seems extremely unlikely that Mr. Mathias will be in a position to return it to me for some considerable time I have the honour to enquire if under the peculiar circumstances of the case, the Madras Education Department can refund the amount I paid Mr. Mathias.

Please see the para. 2 of the Supth's letter to the D.P. I. of 3-3-13 on page 5 of Cf. It should have needed a stronger justification on the part of the Mathers to have proceeded to Badawar in the face of the Supth's letter.

It is not known what the instructions which the D. C. I. issued in his letter No 350 of 13-2-13. Perhaps a copy of this may be perused; and a copy of the letter to Matthews from Lawwar, may also be obtained.
