With reference to his letter  
D.O. No. 175, dated 18<sup>th</sup> March 13,  
the Resident in Travancore &  
Cochin will be informed that  
the amount of compensation  
annually payable to the University  
has been finally fixed with re-  
ference to the average rate of  
profit to the University on ac-  
count of the matriculation  
examination and the average  
number of candidates registered  
during the quinquennium from  
1904 to 1909 (excluding the abnormal  
year, 1908, in which there was  
a re-examination). From the  
amount thus determined  
was deducted a rebate  
representing the profits de-  
rived by the University in 1911  
on account of the examination.
