GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from Mr. WALJI LALJI, Correspondent, the Anjuman-i-Mufid-i-Islam.
To—the Director of Public Instruction.
Dated—Madras, the 9th January 1913.
No.—272.

I have the honour to request you to be good enough to recommend to the Government of Madras that the one-third building grant of Rs. 10,496 sanctioned by the Government in their G.O. No. 814, Educational, dated the 20th November 1911, towards the cost of constructing a building for the Anjuman school, be increased to Rs. 15,694, one-half of the estimated cost. The committee finds great difficulty in providing or making up remaining two-thirds. The funds at our disposal for the erection of the new building including donation of Rs. 10,000 given by Diwan Bahadur Chatturbujadass Govindass amount to about Rs. 13,000 and we are trying to raise an additional sum of Rs. 4,000 or Rs. 5,000 by subscriptions. Even so there will be a serious deficit which can only be met by drawing on our very modest endowment which we are anxious to avoid.

We hope that Government, which, in the past, have helped the Anjuman when confronted with similar difficulties, may be pleased to extend their helping hand to the Anjuman.

R.C. No. 292/13, dated 25th March 1913.

Submitted to Government.

2. The Anjuman in accepting the grant undertook to find the remaining two-thirds of the cost of the building, viz., Rs. 20,992. To meet this, they had a donation of Rs. 10,000 what they could raise by subscriptions and their endowment. They appear to have raised Rs. 3,000 by subscriptions and are merely trying to get Rs. 4,000 or Rs. 5,000 more. If Government accedes to their request for a half-grant, they need only try for Rs. 2,744 and their getting this in view of the comparatively small amount they have so far realised seems problematical. At the same time, it is obviously undesirable that the building should remain incomplete or that the Anjuman should have to trench on its capital.

A. G. BOURNE,
Director of Public Instruction

Order—No. 368, Educational, dated 25th April 1913.

In the circumstances stated by the Director of Public Instruction the Government are pleased to increase the maximum amount of the grant sanctioned in G.O. NOTES CONNECTED WITH G.O. No. 368, EDUCATIONAL,
DATED 25TH APRIL 1913.

[SUBJECT.—*Enhancement of the grant sanctioned for the Anjuman-i-Mufid-i-Ahla-i-Islam Technical and Industrial school, Madras.*]

From the Director of Public Instruction, dated 25th March 1913, No. 292/13.

Please see G.O. No. 814, Educational, dated 20th November 1911, in which a third grant was sanctioned for the Anjuman technical and industrial school, Madras. Under article 51 of the Grant-in-Aid Code as it stood then, the maximum grant admissible was only one-third of the estimated cost. This article has since been amended and under the amended article a half grant is admissible. The present application of the Anjuman is based on this fact. Seeing, however, that when the Anjuman applied for a grant it undertook to find two-thirds of the cost it is for consideration whether its present application for a half grant may be complied with. There are a number of institutions for which only one-third grants were given under the old rule. If applications like the present one are granted, the Government will be flooded with similar appeals and it will hardly be possible to refuse them. The course is likely to involve great additional expenditure.

The circumstances represented seems special; and even if similar applications come up, Government can find out whether there are special factors to warrant a similar treatment.

In the case of the Ambasamudram High school, disposed of in G.O. No. 241, Educational, dated 20th March 1913, the third grant was converted into half grant for almost similar reasons.

For orders whether the application may be refused.

Submitted that in the special circumstances of the case, the half grant may be sanctioned. Please see notes with G.O. No. 241, Educational, dated 20th March 1913.
