To

The Chief Secretary to the Government of Madras,
MADRAS.

Sir,

I am directed to state that the Government of Bombay - have under consideration the question of establishing special schools for giving literary and technical instruction to the sons of artizans with a view to their becoming skilled workmen as recommended in section III of Chapter XV of Colonel Atkinson's and Mr. Dawson's Report on the Enquiry to bring Technical Institutions into closer touch and more practical relations with the employers of labour in India.

2. From paragraph 193 of the Report it will be seen that the boys in these schools are to be apprenticed in the adjoining workshops between the ages of 12 and 14. The system of apprenticeship advocated is the one proposed to be adopted in connection with the scheme of the Madras Government, referred to in paragraphs 130 and 192 of the Report, for instituting 200 state apprenticeships. I am accordingly to request that, with the permission of His Excellency the Governor in Council, the Government of Bombay may be furnished as soon as convenient with full information regarding the proposed scheme together with copies of any papers that may be forthcoming on the subject.

I have the honour to be,

Sir,

Your most obedient servant,

J. L. Rieu
