Educational ~~Local and Municipal~~ *Department.*

Sir, (Through the Accountant - General)

I have the honour to request that you will be so good as to inform me whether the retention of the undermentioned temporary establishments working under the Superintendent of Industrial Education, may be continued until further orders :

(1) clerical establishment in the Technical Institute, Madura;

(2) the post of Weaving Assistant

& (3) the two clerks on Rs. 25/- each and two peons on Rs. 8/- each sanctioned for the Dyeing and Leather Experts.

2. The temporary retention of the clerical establishment in the Madura Technical Institute w[illegible]

2617 Rev., dated 10th August 1910, pending submission of a further report on the reorganization of the Institute by the Director of Industries. This report was submitted by the Hon'ble Mr. Chatterton with his letter No. 96 G., dated 26th April 1911, embodied in G.O. No. 647 Educational, dated 18th July 1912, and final orders thereon have not yet been passed.

The retention of the Weaving Assistant was sanctioned until orders were passed on the scheme for the reorganization of the Technical Institute, Madura, -- vide G.O. No. 438 Edl., dated 4th July 1911, -- and the proposal to employ this Assistant as Superintendent of a peripatetic weaving instruction party on Rs. 200/- per mensem for a year has since been approved in G.O. No. 198 Educational, dated 4th March 1913. In G.O. No. 101 Mis. Educational, dated 7th February 1913, the temporary establishment sanctioned for the Dyeing and Leather Experts was ordered to be retained until the tenure of office of the Experts expired or until the Dyeing Classes at Madura and the Leather School at Madras were established.

I do not consider that any fresh sanction of Government is necessary for the further retention of these establishments, but I make this reference as the Accountant-General in his letter No. 21412, dated 26th February 1913, to the Superintendent of Industrial Education (copy enclosed) considers that Government should be addressed with a view to ascertain whether these establishments may be retained until further orders.

I have the honour to be,

S i r,

Your most obedient servant,

Copy of letter No. 21412, dated 26th February 1913, from the Accountant-General, Madras, to the Superintendent of Industrial Education, Madras.

With reference to your letter No. 1522 I, dated 19th February 1913, I have the honour to state that Government may be addressed as to whether the establishment in question may be retained until further orders.

Copy of letter from the Superintendent of Industrial Education, Madras, No. 1522 I, dated 19th February 1913, to the Accountant - General, Madras.

In G.O. No. 2617 Revenue, dated 10th August 1910, Government sanctioned the retention of the establishment of the Technical Institute, Madura, until orders are passed on further report from the Director of Industries which was submitted by Mr. Chatterton in his No. 96 G, dated 26th April 1911 and embodied in G.O. No. 647 Educational, dated 10th July 1912. As per this G. O. proposals are still under consideration. In G.O. No. 438 Educational, dated 4th July 1911, Government sanctioned the retention of the Weaving Assistant until orders are passed on the reorganization of the Madura Technical Institute. In G.O. No. 25 Press Educational, dated 16th January 1912, one temporary clerk on Rs. 25/- and one peon on Rs. 8/- each were sanctioned for the Leather and Dyeing Experts respectively, but a revised establishment for the former was sanctioned in G.O. No. 613, dated 10th July 1912. In these circumstances, I have the honour to enquire if further sanction has to be obtained regarding the retention of these establishments before definite orders are passed on the reorganization of the proposals or whether the periods fixed in each case by Government satisfy the conditions specified in C. S. R. Art. 78 (a).

An early reply is requested.

SUBJECT.

Temporary establishments under the Supdt. of Industrial Education

---

Please see the A-G's endt. on page 5 of the current file. Para. 77 of the Madras Treasury manual requires that sanction to a temporary establishment should be renewed every six months unless the original sanction is for a particular period. As in the case of the temporary establishments mentioned in the current no particular periods have been prescribed, the A.G. apparently desires that some definite period for the establishments should now be fixed.

2. (i) Clerical establishment in the Madura Technical Institute. Mr. Tressler's

S. reply to G.O. no. 647 Edl dt 18-7-12 has been received and is now under consideration. The main file is needed by P.W.D for scrutiny of estimates of the buildings. Until the buildings are ready the revised ~~Typical orders are likely to issue shortly. The temporary establishment in question has to be~~ scale of staff will not be needed. The existing temporary establishment may be sanctioned upto 1st April 1914 for the present ~~retained only until such orders are issued.~~

3 (ii) Weaving Asstt. The present incumbent of this appointment, N. Subrahmanya Aiyar, has been appointed Supdt

of the peripatetic weaving party for a period of one year from the 1st April 1913 (the date has been ascertained from the office of the Supdt of Industrial Education) and during this period the appointment will be in abeyance.

4 (iii). Temporary establishments sanctioned for the Dyeing & Leather Experts. In G.O. no 101 Edl & 7-2-13, the A.G. has already been informed that these establishments should be retained until the tenure of office of the Experts expires or until the dyeing classes at Madura and the leather school at Madras are actually established, whichever is earlier. These orders are definite enough and no further orders in respect of the retention of these establishments seem to be necessary.

5. If it is considered desirable to fix a more definite period in the cases of these establishments, the retention of the temporary establishments sanctioned for the Madura Technical Institute and the Dyeing and Leather Experts may be sanctioned till the 1st April 1914 or until (introducing) the re-organization of the Madura Technical Institute and the (actual) establishment of the Leather school ~~is sanctioned~~, whichever is earlier. This could may perhaps satisfy the A.G. & may therefore head

~~As~~ regards the weaving deptt; the appointment may be ordered to be held in abeyance, till the 1st April 1914 or so long as the present incumbent thereof is on deputation.-

6. A draft order on these lines ~~is~~ is submitted for approval, if approved, it may present to Financial concurrence.
