Memorials from the members of the Indian Educational Service.

L
Please See paragraph 2 of notes with G.O. Nos. 231 and 232, Educational, dated 17th March 1913. These memorials have been lying over pending reply to letter from the Government of India, No. 3-C-D, dated 7th January 1913. This reply has now been despatched. Please see letter No. 232, Educational, dated 17th March 1913. It has been held that there does not exist among the present members of the Indian Educational Service in this Presidency any case of admitted hardship calling for immediate relief in the shape of personal allowances.

2. The prayer of the memorialists in the present case is that as a measure of temporary relief pending the report of the Public Services Commission, the personal allowances attached to the Indian Educational Service in Madras may be increased in (1) amount, and (2) number in the manner corresponding to the increase of nearly 100 per cent in the Cadre of the Service which has taken place in Madras since the reorganization of 1897.

Page 2 of G.O. 231 & 232

Page 2 of the C.F.

3. The following table Compares the Cadre of the Indian Educational Service as it stood in 1897 with its present strength.

Designation	No. of appointments in	
	1897	1913.
Officers on Rs. 500-50-1000	17 ✓	26 ✓
Personal allowances. 250-50-500	2 ✓	2 ✓

Officers on Rs. 400-20-500	2 ✓	.
Joint Inspectors, Rs. 500-20-600	1 ✓	1 ✓
Second - do - Rs. 400-20-500 450-10-500	1 ✓	1 ✓
Third - do - Rs. 400-10-500	.	1 ✓

From the above it will be seen that while the number of appointments eligible for the personal allowances has increased from 17 to 26

~~02~~ by more than 50%, there has been no increase in the number of personal allowances. If these allowances are to bear the same proportion to the number of appointments in the Indian Educational Service as in 1897, they will have to be increased at present by 2, and this increase, if decided on, will have to be sanctioned by the Secretary of State. It is for consideration whether any recommendation to this effect may be made to the Government of India.

 29-3-13. The memorial submitted to the Govt of India in October 1910 included among its prayers a request "to increase the number and amount of personal allowances in a manner commensurate with the growing size and enhanced importance of the service. The Govt. of India have deferred passing orders on the memorial pending the examination of the whole question by the Royal Commission on Public Service in India. They suggested an ad interim remedy to meet hard cases; and this Govt. had no cases to recommend. In circumstances it does not seem that any further representation could be made to the Govt of India on this point." CR

which the memorialists desire.
