Resolution XVIII(b). That in view of the fact that female

education is on the increase in Kistna and Godavari

districts and that a training school for women has

already been established at Rajahmundry, this Con-

ference urges that it is highly desirable that a --

separate high school for women should be opened at --

Rajahmundry also.

(c). This Conference deems it necessary that --

travelling allowance and batla should be paid to

teachers of elementary schools attending central ~~xxx~~

classes held every fortnight, as they feel it burden-

some to bear the expenses themselves out of their

scanty salaries.

(d) This Conference resolves to request the -

Government to open the Engineering School at ~~Ronkat~~

Dowlaishwaram as early as practicable.

Subject.-----

Resolutions passed at the Godavari District
Conference, Cocanada on 23rd and 24th March
1913.

A formal letter of acknowledgment is submitted
for approval.

2. The only resolution which concerns this --
Department is Resolution No.XII relating to the elec-
tion of non-officials as presidents of the Godavari
District Board and the Rajahmundry Taluk Board. The
system of election of presidents of taluk boards is

T. E. M. | being tried in selected places, and it is too soon to
make any further move in the matter. It does not
seem necessary to consider at present the suggestion of

T. E. M. | the Conference in regard to the election of a non-
official as President of the Godavari District Board.

3. The other resolutions are for consideration
in the Educational department and it is submitted that
an extract of them may be sent u.O. to that department.
