Sanctioning a grant not exceeding Rs 8,579 towards the cost of extension to the building occupied by the Muthialpet high school, Madras.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter— from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To— the Secretary to Government, Educational Department.

Dated— Madras, the 30th August 1912.

No.— Ref. on Cur. 8210 of 1910.

I have the honour to submit the enclosed plans with estimates, amounting to Rs. 24,630, for extensions to the Muthialpet high school, Madras, and to recommend that a grant of Rs. 8,294 may be sanctioned to be paid when funds are available.

Some time ago the management purchased for the sum of Rs. 11,308 a site on which stood a dwelling house. As this house was demolished without consulting this department, no grant whatever is recommended towards its cost. The cost of the site as approved by the Collector is Rs. 4,900. Towards this item, I recommend only a third grant of Rs. 1,633, as the purchase was made prior to the revision of chapter VIII of the Code. This sum is included in the total amount of Rs. 8,294 recommended above.

The Muthialpet high school is a large and important school which has been doing useful work. Its efficiency and development, however, have been hampered by the inadequate and unsuitable character of the accommodation. Its improvement was an urgent matter and on this account the commencement of the construction of the additional accommodation without permission may be condoned and grant sanctioned.

II

**Note by the Chief Engineer, Public Works Department, No. 62-C,
dated 3rd January 1913.**

The Director of Public Instruction submits through the Educational Department for sanction estimates amounting to Rs. 24,630, the particulars of which are given below, and three plans for extensions to the Muthialpet high school buildings, Madras :—

	Rs.
(1) Main building (three storeys)	12,950
(2) Latrine of ten seats as per Sanitary type-design No. 93 issued with G.O. No. 2251 W., dated 13th February 1906	800
(3) Purchase value of the house	11,308
(4) Repairing the existing buildings	242
(5) Demolishing old buildings, preparing plans and estimates, etc.. .. .	461

Total .. 25,761

Deduct—

Value of available old materials 1,131

Net total .. 24,630

2. The plans and estimates have been scrutinized in the Chief Engineer's office and the following alterations have been made :—

(1) Increasing the thickness of basement under cast-iron columns of ground floor from 1' 6" to 1' 10½".

(2) Enlarging the pier marked (P. 6) on plan of first floor by 1' 0" so that the doors on either side are each reduced in width by 6 inches.

(3) Constructing the basement and the walls of ground floor and first floor in cement instead of surki mortar as the pressures thereon exceed the limit ordinarily allowed for brickwork.

(4) Reducing the section of the girders carrying the longitudinal wall of the first floor to a length of about 10' 0" from 15" × 6" at 59 lb. to 14" × 6" at 46 lb.

(5) Altering the weights of the cast-iron columns according to Circular Memorandum No. 2855-C, dated 3rd May 1911.

3. By these alterations the total amount of the estimates has been increased from Rs. 24,630 to Rs. 25,200.

4. As the maximum pressure on soil (sand at 6 feet below ground) is found by calculation to be 2.33 tons per square foot, the Superintending Engineer should satisfy himself as to the suitability of the foundations.

5. It is observed that the proposed building makes use of the existing wall of the adjoining building as a party wall. The foundations of this wall are not known and its dimensions are not figured.

The President of the Corporation of Madras should satisfy himself in the first place that the utilization of this party wall in the manner proposed is not an infringement of local by-laws, and the Superintending Engineer should satisfy himself that the wall is capable of carrying the additional weight now proposed.

6. With these remarks the estimates as altered by the Chief Engineer, amounting to Rs. 25,200, are recommended for sanction.

C. A. SMITH,
Chief Engineer, P.W.D.

Order—No. 40, Educational, dated 15th January 1913.

The Government are pleased to sanction a grant not exceeding Rs. 8,579 towards the cost of extensions to the building occupied by the Muthialpet high school, Madras, subject to the following conditions :—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.
