D. O. No. 68

The Old College,
Madras, 24th April 1913.

My dear Davidson,

(A) From G.O. No. 298, Educational, dated 9th April 1913 it appears that Mr. Statham appointed to act for Allen will not arrive till October.

It is very difficult to get any suitable man for the period July to October. Dodwell is in every way the best qualified but it is not probable that he could be spared altogether from the Record Office. He is willing to do the Professor's work in addition to his Record Office work for a short time if suitably remunerated, but this arrangement has obvious disadvantages. I therefore venture to suggest that the Secretary of State may be asked by cable to arrange for Mr. Statham to arrive by July 1st or as near that date as may be.

Yours sincerely,

To

The Hon'ble Mr. Lionel
Davidson, B.A., I.C.S., C.S.I.,
Secretary to Govt., Edl. Deptt.,
Ootacamund.

It is for consideration whether the Secretary of State should be again addressed as proposed by Mr. Stone. The request was to send out the special officer to join duty in the first week of July 1913. The Secretary of State cabled in reply that on the recommendation of the medical board the officer selected could ~~not~~ arrive ~~only~~ earlier in April. On this point cabling that the officer could not be usefully employed between April & July, the Secretary of State finally intimated that the officer would arrive only in October next, presuming that temporary arrangements would be made till then. Mr. Stone now points out that such arrangements are not possible. Obviously, the recommendation of the medical board stood in the way of the Secretary of State's complying with this foot's request. Please see para. 2 of the Secretary's note, dated 2nd March 1913 on page 11 of the papers with fo. no. 205. 52. dated 6th March 1913. If the Secretary of State is to be addressed, it may perhaps be stated that by July ~~the weather will be over~~ the hottest portions of the year will be over.

Also, it was a
silly recommendation.
There is certainly no
special risk to health
incident to arrival
in July. 10

Please draft in the form most conveniently codifiable saying that Mr. R. regrets that he is compelled to press for Mr. Stothard's joining in by beginning of July (mention exact date) owing to extreme difficulty of making temporary arrangements until October. Remains of hot weather over by 1st & no heat in June & no reason to suppose arrival in July in any way prejudicial to health.
