Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, K.O.L.E., D.Sc., F.R.S.,
Director of Public Instruction
To—the Secretary to Government, Educational Department.
Dated—Madras, the 11th March 1913.
No.—Ref. on Cur. 2935 of 1912.

I have the honour to submit an application for grant for the construction of a hostel for the Noble College, Masulipatam, together with the plans and estimates in duplicate.

The total estimated cost is Rs. 11,740 and the management can contribute only Rs. 5,000.

It is recommended that a grant of Rs. 6,740 may be sanctioned to be paid when funds become available.

II

**Note by the Chief Engineer, Public Works Department, No. 3493-C.,
dated 19th April 1913.**

The Director of Public Instruction submits through the Educational Department detailed estimates amounting to Rs. 11,740 and three plans in connection with a grant-in-aid towards the cost of constructing the "Sharp" hostel for the Christian students of the Noble College, Masulipatam.

The particulars of the estimates are as follows :—

	Rs.
(1) Hostel for thirty students	8,300
(2) Store, kitchen, bath rooms for the hostel	1,540
(3) Store, kitchen, bath rooms for the warden	1,540
(4) Latrine of six seats	360
Total	11,740

2. The plans and estimates have been scrutinised in the Chief Engineer's office and the sizes of the rolled steel girders and roof timbers have been altered where necessary (as figured in the plans and estimates) and an additional amount of Rs. 134 has been provided for unforeseen works.

3. By these alterations the total amount of the estimates has been increased from Rs. 11,740 to Rs. 11,900.

4. It is recommended that tiled or wooden sunshades properly supported on wooden frames should be provided over windows instead of Cuddapah slabs which can hardly be constructed as roughly indicated on the section D D, plan No. 1.

5. The wells of first floor may with safety be reduced in thickness from 1' 6" to 1' 1½".

6. It is recommended that drawing C.A. No. 265/1912 should be adopted for the latrine.

7. The rates in the estimate for wood work, terrace flooring and tiled roofing are low.

8. The Superintending Engineer should satisfy himself as to the suitability of the foundations.

9. With these remarks, the estimates as altered by the Chief Engineer, aggregating Rs. 11,900, are recommended for approval.

C. A. SMITH,
Chief Engineer, Public Works Department.

Order—No. 417, Educational, dated 7th May 1913.

The Government are pleased, as a special case, to sanction a grant not exceeding Rs. 6,900 nor the difference between the actual expenditure and the contribution of Rs. 5,000 promised by the management towards the cost of construction of a hostel for the Christian students of the Noble College, Masulipatam, subject to the following conditions :—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

EDUCATIONAL DEPARTMENT.

The amount of the estimate as recommended by the Chief Engineer is Rs. 11,900.
Ordinarily only a half-grant on this amount (Rs. 5,950) is admissible. But the
correspondent of the school being able to contribute only Rs. 5,000, the Director of
Public Instruction recommends the payment of the balance or Rs. 6,900. This is
Rs. 950 more than what is admissible under the rules. But seeing that proposals
are already under the consideration of Government to sanction grants-in-aid of hostels
without insisting on the proportionate contribution by the management, the grant
in this case may be sanctioned.

2. A draft order is submitted for approval.

A The understanding was that each case should be dealt with on its merits. This
must go to Financial for acceptance, as the note on the general case has not
yet come back from that department.
