To The Secretary to the Government of Madras,

Sd,

(B) With reference to G. O. No. 835 Educational,
dated 27th November 1911, I have the honour to inform
you that Mr. Champion having failed to satisfy the exa-
miners at the Compulsory Vernacular Test held in January
1912, the Accountant - General has withheld the increment
which fell due to him on 24th November 1912. Mr. Cham-
pion has since passed the Compulsory Vernacular Test,
viz., that held in January 1913 and he requests that
the increment that had been already withheld may now be
granted to him with effect from 24th November 1912. The
Accountant - General whom I have consulted states that

Since this is the first occasion on which a penalty has been inflicted on an officer of this Department for failure to carry out the terms of his agreement with the Secretary of State and since the object in view has been attained, I beg to recommend that Mr. Champion's request be granted.

I have the honour to be,

Sir,

Your most obedient servant,

C. No. 1257 From the D.P.I.

Rec No 2077/13 dated 11. 4. 1913.

SUBJECT.

Recommending that Mr. K. Champion may be permitted to draw with ~~effect~~ retrospective effect the increment of pay withheld for failure to pass the Compulsory Vernacular test.

In the circumstances explained by the D.P.I., ~~his~~ his recommendation to allow Mr. Champion to draw with effect from the 24th November 1912 the increment of pay, withheld for ^{on his part,} failure to pass the compulsory vernacular test within the time allowed, may, it is submitted, be accepted. The draft below is for approval.

2. Mr. Champion being an inspector ~~from the beginning of his service~~ should pass the compulsory vernacular test in two² languages one of which should be Tamil or Telugu. ~~He should~~ From the latest quarterly civil list it appears that Mr. Champion has passed ^{only} in Telugu. He has not passed in a second language. The time allowed for passing in a second language is

is four years from the date of appt.
to the service. Mr. Champion ~~is~~
first entered service as acting inspector
of schools on the 24th November 1908.
and ever since that date he appears
to ~~have~~ have been engaged in
the work of inspection. He should
therefore have passed the vernacular
test in a second language
in the examination held in January
1913 at the latest. ~~He is not~~ As
he has not passed the second
vernacular test it is for consideration
whether the D.P.I. should be
asked to draw Mr. Champion's
attention ^(to the rule) on this point.

asked to draw Mr. Champion's attention
to Rule 2 of the rules for the study of
Oriental languages by the European
officers of the ~~Indian~~ Educational Department
and to report the fact if he fails to
pass the test at the next January
Examination.

I don't think we can do anything
with this case in the absence of the D.P.I.'s
views as to the course to be pursued

with regard to Mr. Champion's inability to pass in a second language. He ought to have done so in January last. But it is a fact it has taken him to fall four years and two months more to pass in a single language - that of the District in which he has been serving. Who can say how long it will take him to qualify in another language? and what steps is he taking to that end.

I must say that the case for making a movement retrospective seems to me very thin & I do not think Mr. Champion ought to get it at all - even from January - until then second language question is cleared up.

14.12.10

It would be a little hard to count Mr. Champion's time from 24th Nov. 1908 for this purpose. The order says "Appointment - either permanently or on probation" - Officers selected in England are appointed "on probation" for so many years - The number has varied from time to

time - and come out to India in the full expectation of being confirmed if they behave themselves. Mr Champion was in the country and was merely put in to act - he had no substantive appointment until 3 January 1910 when he was confirmed as Vice Principal, Packer College and had no guarantee that he would be retained after the acting period - I think his case might be treated differently from the cases of those sent out on probation.

I suggest that the request in the current might be granted and that he should be warned that he will be expected to pass in the second language at the examination of January 1914.
