Our Congress do not close until the first week in April and I do not think he can let any Professor go at the beginning of March.

Mr Mayhew is due to arrive at the end of February I think and perhaps he would be suitable - His name might be suggested in a tentative manner

4815 11-1-13

It is for consideration whether Mr. Mayhew's name may be suggested to the Govt. of India. A draft is submitted subject to approval.
