From P. F. Fyson Esq., B.A., F.L.S.
Professor of Botany

To the DIRECTOR OF PUBLIC INSTRUCTION
through the Principal Presidency College

Sir,

Papers about this are in Public.

Though no final orders have as yet been passed, it seems probable that Government will publish an account of the Flora of the Nilgiri and Pulney Hill-tops on which I am engaged. I shall be at work at it during the coming vacation, partly in Madras partly on the Ootacamund downs. On the latter I shall require the assistance of plant collectors, and I have the honour therefore to ask that I may be put on duty for the coming vacation without allowances and may be allowed the services of the college herbarium keeper and a laboratory attender, and that they may, while away from Madras be given the usual allowances applicable in each case. I shall be on the Nilgiris from the 21st. of next month for two months or thereabouts, in tents on the downs. As it is expensive moving tents, and as I am not asking for allowances for myself, I have the honour to ask whether the rule that allowances would be paid to these men for periods not longer than ten days ineach place, might be relaxed under C.S.R. 1056, I do not intend to remain long in one place, for one object in being under canvassis to be ~~near~~ able ot move from place to place and so cover as large a part of the area as possible. But it might happen to be convenient to remain in a camp over the ten days, in order to finish the investigation of some particular shola or spot.

I have the honour to be

Sir,

Your most obedient servant

P. F. Fyson.

SIR,

In returning herewith the enclosures received with your endorsement No.1190-1.Edl. dated 21st April 1913, I have the honour to state that there is no audit objection to Government granting, under article 1056 and the note to article 1114 of the Civil Service Regulations, the exemptions applied for on behalf of the Herbarium keeper and the attender, if they are satisfied that the proposed prolonged halts are necessary in the interests of the public service and will entail extra expense on the officers after the first ten days. Attention is also

C. No. 1190 From the D.P.I. Roc No 2637/13 dated 4 · 4 · 1913.

SUBJECT.

Grant of travelling and halting allowance to the herbarium-keeper & the attender of the Presidency college who accompany Mr Tyson to the Nilgiris.

Mr Tyson, Professor of Botany, Presidency College proposes to spend a portion of the current summer vacation of the College on the Nilgiris in connection with the preparation of his work on the flora of the Nilgiri & Palni hills. He states that ~~the~~ in this connection he will require the services of the herbarium-keeper ~~and~~ attender of the Presidency college & requests that these ~~may~~ two men may be granted travelling allowance & halting allowance for halts for more than ten days. On a previous occasion (in 1911) Mr Tyson applied for ~~an~~ (almost similar concession.

A

His request then was that he ~~and the attender~~ should be considered to have been on deputation during the period of his stay on the hills and that he & the

A ② the attender who accompanied him, should both be granted travelling allowance without halting allowances. This request was granted in G.O. No 289 Edl, d 16th May 1911.

2. Mr Tyson's request now is that the herbarium-keeper and the attender who accompany him should both be allowed travelling allowances & halting allowances Even when the ~~[illegible]~~ period of their stay at one place ~~[illegible]~~ exceeds the ten-days' limit laid down by article 1056 of the C.S.R. He states that he himself will not claim any allowance for the journey. His request may, it is submitted, be granted with the concurrence of Financial, in view of the fact that the Govt have already ~~[illegible]~~ ~~accepted~~ having agreed to publish ~~the~~ his work on the flora of the Nilgiris.

Please see notes with fo. No 1314 Public d 29.10.12. Ⓐ
Further papers on the subject are in Public and the file is now with D.S. Public.
SK

3. A draft order is submitted for approval. Para ~~2~~ 3 of the order is with reference to rule 12 of the Interdepartmental rules under which exemptions from article 1056 of the C.S.R

should

should be sanctioned by the Financial Dept. If approved the draft may be sent to that ~~the Financial~~ Dept. for acceptance.

SK
5/5/13

In the third sentence of his letter, Mr. Tyson requests that he "may be put on duty for the coming "vacation without allowance."

page 3 of c.f.

The object of this request is either to render him eligible for ordinary privilege leave or to enable him to draw travelling allowance for his journey to & from the hills. It is not clear whether by the words "without allowances", he abdicates his claim for travelling as well as halting allowances. ~~The~~ word 'allowance' is used loosely in his letter. It is therefore proposed ~~to~~ to declare in the draft order that he will be on duty, without any specific reference to travelling allowance leaving it to him to claim of it if he chooses.

art. 273 of C.S.R.

Please compare para 2 of the note on page 11 of papers with G.O. 289/16.5.11 ②

I have verbally modified by para 3 of the draft. Mr. Tyson, while prepared to forego any allowances himself, is evidently ~~the~~ anxious that the subordinates who accompany him should not suffer.
