To the Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

**NOTES CONNECTED WITH G.O. No. 465, EDUCATIONAL, DATED
21st MAY 1913.**

[**SUBJECT.**—*Instructions in regard to the preparation of Tables IX and X in Educational Reports.*]

From the Government of India, dated 15th April 1913, No. 670.

In their letter No. 876, dated 26th June 1911, the Government of India asked for the opinion of Local Governments regarding the continuation of tables IX and X in Educational reports. In letter No. 164, dated 26th February 1913, this Government replied that table IX might usefully be attached to future quinquennial reports but that it was not necessary to retain table X.

2. The Government of India have now given certain instructions in regard to the compilation and continuation of these tables, which must apparently be communicated to the Director of Public Instruction for information and guidance. A draft order is submitted for approval.

Approved.
W. FRANÇOIS—20-5-1913.

H. GOPALACHARI—7-5-13.

The Government of India have agreed with this Government that table No. X (regarding classification of pupils by age) may be made only quinquennial. They, however, give the Local Governments the option of making it optional if they choose. As already decided, this table may continue to be only quinquennial.

As regards the other table (regarding the classification of teachers) the Government of India have not adopted this Government's recommendation that it might not be continued at all. They have now prescribed it as an *annual* statement and have recast the form of it also. The table has to be adopted.
