To

The Secretary to Government,

Local and Municipal Department.

Educational, Fort Saint George, Madras.

Sir,

With reference to para 4 of G.O. No. 921, Educational, dated 16th October 1912, calling for an estimate of the probable amount that will be required for the payment of aid to schools other than those managed by Government, should the authorities of the former undertake to enhance the pay of the language teachers in their employ, I have the honour to submit the following:-

Immediately on receipt of the G.O., I addressed the Presidents of District Boards, Chairmen of Municipal Councils and the Inspecting officers on the subject, and a complete report was received recently. A detailed statement showing the present pay of pandits and other language teachers employed in colleges and complete secondary schools is herein enclosed. It will be seen therefrom, that there are 392 language teachers in institutions under private management. 27 in Board and 42 in Municipal institutions and that their salaries in the different classes of institutions vary as shown below:-

Institutions under private management	Rs 5 to Rs 105
Institutions under management of Local Boards	Rs 12 to Rs 25
Institutions under management of Municipal Councils.	Rs 12 to Rs 32

It will also be observed that some of the teachers in institutions under private management receive remuneration upon a scale which seems high for a pandit; the explanation appears to be that they are regular class teachers doing in addition translation and composition work in languages, other

than English, in which they have attained some proficiency.

2. I consider that the scale of salaries of the language teachers may be fixed as stated hereunder:-

1st Grade colleges.

Senior Pandit	Rs 60-3-75	Biennial increment.
1st Assistant Pandit	Rs 40-2-50	"
2nd and other Assistant pandits	Rs 30-2-40	"

Second Grade colleges.

Senior Pandit	Rs 40-2-50	"
1st and other Assistant Pandits	Rs 30-1-35	"

Complete secondary schools.

Senior Pandit	Rs 30-2-40	"
1st and other Assistant Pandits	Rs 20-1-25	"

To raise the pay of these teachers to the scale suggested above, will approximately involve an initial expenditure of Rs 60,000/-, Rs 5,600/- and Rs 3,600/- for payment of extra subsidies to board and Municipal institutions respectively and Rs 50,800/- for payment of additional teaching grants to institutions under private management. I have, moreover, not taken into account, in arriving at the above estimate, incomplete secondary and European schools and Board Sanskrit colleges and schools.

3. I would point out, however, that I foresee some difficulty in selecting particular posts on the staff of the institutions in question with a view to raising the emoluments attached to them, without at the same time considering the other posts. I think that it would be sufficient for

4

the present, if the importance of paying Pandits on a higher scale than has been customary in most cases be urged on correspondents of private institutions especially where the present pay is very low. This would be done when reviewing the inspection reports. The matter is one which will receive special attention, when it becomes possible to increase further the teaching grants ordinarily admissible.

As regards Board and Municipal institutions, I consider that suitable rates for all the teachers may be decided on and funds provided, when available, for giving effect to this scale. I am, however, of opinion that some measure of improvements in Board and Municipal institutions is called for at once and I am considering, therefore, the desirability of setting aside a sum of Rs 9,200/- for improving the pay and prospects of the Pandits employed in them from the allotment of Rs 1.35 lakhs for secondary education forming part of the recent grant from the Government of India.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Griew.

C.N. 1231. 5 Educational Department
Proposals for the improvement of pay & prospects of the
language teachers in aided schools

(C) W

Please see G.O. No. 321, Educational, dated 18th October 1912, in which proposals submitted by the Director of Public Instruction for improving the pay of pandits and other language teachers employed in Government schools and colleges were sanctioned. This was in a measure carried out at the instance of the Hon'ble Mr. Kesava Pillai who moved a resolution to that effect in the Legislative Council. In noting unofficially on the resolution, the Director of Public Instruction ^{has} ~~has~~ advised by favourable consideration to the resolution, ~~and~~ observed that "if aided school managers followed suit, the "grant bill would rise slightly, but the total "extra cost would in no case be serious".

[His Excellency] Sir Murray Hammick, while approving of the proposals regarding the revision of the pay of pandits and language teachers in Government institutions, directed that more accurate figures as regards the aid to ~~other~~ schools for the purpose of increasing the salaries to munshis should be obtained. The object of His Excellency was apparently to take steps to extend the concession ~~of~~ ^{of} improved ~~to~~ pay to aided schools also.

2. The Director of Public Instruction, who was accordingly requested to submit an estimate of the probable amount required for the payment of aid to schools other than those managed by Government, now submits a detailed statement showing the present emoluments of these teachers in schools and complete secondary schools and an estimate of the amount needed to raise the ~~the~~ scale of salaries applicable to them. From this ~~statement~~ statement, it will be seen that the pay

of this class of teachers in several of
the institutions is very poor. The
revised scale proposed by the Director of
Public Instruction follows generally that
adopted for Government institutions in
G.O. No. 921, Educational, dated 16th
October 1912 except for the fact, that the
highest scale of Rs. 80-4-100 fixed for
pundits of approved ability ~~the~~ ^{the} Presi-
dency College, has been left out and that
a new scale of Rs. 20-1-25 has been adopted
for assistant ~~pundits~~ ^{pundits} in secondary schools.
The scale ~~seems~~ ^{is} acceptable.

3. The introduction of this scale
will, it is stated, involve an approximate
expenditure of Rs. 30,000, of which Rs. 2,200
will go towards the payment of extra subsi-
dies to board and municipal institutions
and the balance towards teaching grants
to aided institutions. To give effect to
these proposals, the Director of Public In-
struction states that he is considering the
desirability of setting aside ~~for the purpose~~ ^{a sum of}
Rs. 9,200 out of the allotment of 1.35
lakhs in the recurring ~~grant~~ ^{grant} of 6.80 lakhs
for secondary education towards the ~~improvement~~
improvement to be carried out in this matter
in board and municipal institutions. As
regards aided institutions, the Director of
Public Instruction considers it ~~sufficient~~ ^{sufficient}
to urge ~~on~~ ^{on} the correspondents of private
institutions the desirability of adopting
a higher scale of pay for pundits where the
present emoluments ~~is~~ ^{are} very low. The course
suggested by the Director of Public Instruc-
tion may, it is submitted, be accepted.
Obviously a separate communication will be

addressed in regard to board and municipal schools. For the present no action seems called for. Financial may peruse the D.P.'s letter at this stage.

4. The total cost of involved in these proposals may as suggested by the Financial Department in para. 4 of their notes dated

W 17th September 1912 on page 9 of notes with G.O. No. 921, Educational, dated 13th

October 1912, be included in the application to be made to the Government of India for

financial assistance promised by them in connection with the reference received from that government regarding the question of

the encouragement of ancient learning and the cultivation of the ancient languages of India. This file is ~~under~~ under separate consideration, ~~being~~ being now in

circulation.

In Financial we should like to direct particular
 attention to paragraph 3 of the Director's Letter.
 As the D.P.T. points out, it would be an
 anomaly for him to urge that the pay of
 particular posts in aided institutions should be
 raised, & we may express agreement with the
 view ^{that it will suffice} of the importance of paying parits a rather
 higher salary ^{of institutions where the pay is very low} than hitherto is noticed in reviews
 of inspection reports. It will be unnecessary to
 urge on managers ^{of aided schools} the scale set out in para. 2 of
 the Director's Letter. This may make it a little
 difficult to arrive at the sum for which the G.O.I. should
 be asked, but a rough estimate of cost can be
 taken.

Before the file is circulated to H.R., the D.P.I. may perhaps be requested to furnish a rough estimate of the cost mentioned in the Chief Secretary's note at "A" on the previous page. As observed by the C.S. it may not be easy for him to arrive at a general estimate. Apparently bad cases will have to be selected and it should be calculated to what scale rate the scale may probably be raised by the management consistent with the endowments attached to other posts in the institution.

CA 13.5.13 The estimate can only be roughly fixed. The D.P.I.'s figures are based on existing salaries & a definite scale. If the definite scale is not to be mentioned or pressed upon managers, possibly Rs. 25,000 instead of Rs. 50,000 would be sufficient. We can only guess. Please circulate to

H.E. to Mr. Stewart. 14.5.13

I have discussed this to-day with the D.P.I.
He allots to Rs. 25,000; as suggested above.

I would ask the Govt. of India for at least Rs 50,000 on this account. It is clear we could spend it.

With reference to the Chief Secy. tary's remarks of 3.5.13, the sum of Rs 25,000 was suggested in the Secy. tary's note of 14.5.13. As the Honble Sir Harold Stuart is of opinion that Rs 50,000 should be asked, this amount will be included in the application to be made to India.
