publications, yet the Accountant - General considers that they come under 'Periodicals' and that as such their purchase requires the sanction of Government. I have, therefore, the honour to request that you will be so good as to obtain the sanction of Government to the purchase in question.

2. The back volumes purchased are all said to contain reports of decisions of great value and they are stated to be necessary. But under a misapprehension the Principal has purchased them on his own responsibility without adopting the usual procedure of applying to Government for sanction in regard to the supply of the periodicals.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.
