To
His Excellency The Governor in Council
of the Presidency of Madras.

The humble Memorial of the undersigned
people of the Bhivavaram Talug District
District

May it please Your Excellency

- 1 That the Government is pleased to sanction one model Secondary School for this District
- 2 That they came to learn that the matter of locating the same either at Tanuku or at Bhivavaram has been under serious consideration in the hands of the educational authorities
- 3 That the Narasapur Talug has got its own provision for secondary education out of private enterprise and that a strong probability is foreseen of the location of a Training School also there
- 4 That the Narasapur Talug Board has been pleased to favour the Tanuku Talug with Secondary education by the establishment of a Secondary School there
- 5 That the Secondary Schools at Narasapur and Tanuku are in a very efficient and flourishing condition with an inordinate surplus over each and as such do not require the support of the Government.

3 2
6 That great injustice is done to the Bhineavaram Taluq by some students of the same having been obliged to undergo inordinate trouble and expense elsewhere for secondary education which some are forced to give up their studies being unable to cope with the charge.

7 That in order to redress this grievance the existing incomplete Secondary school at Bhineavaram has paved the way to a great extent as can be seen from the following details -

Strength — — — 201

Surplus for the closing }
Official year — } about Rs 1500

Building The school has got a pucca building ~~constructed~~ in the cross form at a cost of Rs 7500 and capable of being extended on three sides to any length required

Compound. The school is provided with compound of about 2 acres capable of being extended on two sides to a considerably good extent

Furniture The school is equipped with the requisite library and maps Gynaestics, Science and Drawing apparatus satisfying the conditions of an incomplete Secondary School

4 3

8 That Bhimavaram is a place of the following offices
The District Munsiff's Court, Taluk office,
Sub-Magistrate's office, Sub-Registrar's office
Government Girls School, Hospital, Post and
Telegraph office, Union office, office of the Sub-assis-
tant Inspector of Schools and with the decidedly
settled chance of its being made an important
Railway Junction which neither Tanuku nor
Karasapoor is expected to have

9 That an elimination of the number of school-
going population from Bhimavaram Taluk in the
several existing Secondary schools and colleges in
the Presidency is sure to give a creditably
good figure decidedly recommending the
establishment of Secondary School in Bhimavaram

10 That the importance of the place can well be recognised
by the pressing circumstances under which the Local
District Munsiff's Court and the Sub-assistant Inspector's
office which were once removed have again been
located here

11 That apart from the above circumstances

i The spaciousness of Bhimavaram all round affording
ample scope for happy extension on all sides

ii The sandy soil of the place in its heart as well

President

3 Whereas an experimental agricultural farm is needed in the Krishna District, the assembly resolves that the Government be requested to set-up one at the Head-Quarters of the Bhimavaram Taluk, which is apparently very backward in agriculture

Whereas it is found expedient that a number of co-operative credit societies are needed to help the poor suffering ryot population in the Bhimavaram Taluk, the assembly resolves that the Government be requested to register sufficient number of societies in this Taluk, as the Registrar of Co-operative credit societies refused registration of such societies for want of adequate supervising staff

5 To these ends, the assembly resolves to send a deputation consisting of Mr. Visamamony Venkataramanayya Penttila garu Land-holder Bhimavaram and Mr. Kallakury Narasimham garu Land-holder and Taluk representative on general matters, Koppalli to wait on His excellency the Governor of Madras, the Director of Public instruction and the Registrar of co-operative credit societies, Madras.

6 Resolved also that copies of these resolutions be sent where ever necessary

Bhimavaram.

Sir,

In returning herewith the papers referred to me for remarks with Government Endorsement No. 1173-1, Educational, d/10th April 1913, I have the honour to state that after ascertaining from the Inspector of Schools, Second Circle, that the Taylor High School, Narasapur, and the Board High School, Tanuku, satisfy the demand for secondary education in the Taluks of Narasapur, Bhimavaram and Tanuku comprising the Narasapur Taluk Board and that there is a good incomplete secondary school at Bhimavaram to provide for the education of boys up to the third form, I have already informed the petitioners in reply to a copy of the petition addressed to me that there is no need at present for

boys under the Narasapur Taluk Board.

I still adhere to that opinion.

I have the honour to be,

S i r ,

Your most obedient servant,

G. H. S. S. S.

For Director of Public Instruction.
