Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E.,
Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 7th May 1913.
No.—Ref. on Cur. 1341.

With reference to Government Memorandum No. 1182-1, Educational, dated 10th April 1913, I have the honour to recommend P. K. Rajamanikkam for the State technical scholarship to be awarded this year. He is a lively well-mannered and intelligent youth. He understands English sufficiently to pursue a technical course and what he wants in higher education is in my opinion amply made up for by his tanning connections. If he can be given a practical training in the leather industries at home, he may be depended on to make a determined effort to develop them here and will command the necessary capital and business connections.

2. I am making arrangements to have him examined by a Medical Board and after the examination I shall submit the opinion of the Board as well as a recommendation roll on his behalf.

3. His application is submitted herewith.

ENCLOSURE.

Letter—from P. K. RAJAMANIKKAM, 52, Pidariar Kovil Street, Georgetown, Madras.

To—the Director of Public Instruction, Madras.

Dated—the 27th February 1913.

I beg to offer myself as a candidate for the technical scholarship for leather goods industry that has been recently sanctioned by the Government.

I belong to a respectable family of Madras. Most of my relatives are in the skins, hides and leather business. My father, Mr. P. B. Krishnaswami Nayudu, B.A., is a partner of Messrs. S. Haji Abdulla Sahib & Co., and my uncle Mr. P. N. Muthuswami Nayudu, B.A., is the founder and managing partner of Messrs. M. A. Hyath Batcha Sahib & Co. These are two of the leading Indian firms that do both export and tannery business in skins and hides (both raw and tanned). Also my uncle Mr. R. Ramanujulu Nayudu is the skins and hides Dubash of Messrs. South Indian Export Company, his father, the late Honorary Captain R. Varadarajulu Nayudu, Sirdar Bahadur, Subadar Major and Native Aide-de-Camp to the Commander-in-Chief of India, is my granduncle.

I completed my secondary school-leaving certificate in 1911, taking as my optional subjects physics and chemistry and am at present in the skins and hides business under my father. I have good experience in skins and hides in the tanneries of my father's firm, who have tanneries at Bangalore, Vizagapatam, Rajahmundry, Ranipettai, Pallavaram and at Madras.

I shall be glad to send any other information that may be required. I may, however, mention that in case the scholarship is awarded to me and I return to India after successfully completing my course, I have every prospect of opening up a leather industrial business in Madras, as I have a good backing from the leading firms above mentioned who would finance me to any extent for a lucrative and promising industry.
