G.O. No. 1066, dated 3rd December 1912.

ABSTRACT.—Informing the Director of Public Instruction that the Secretary of State has sanctioned the scheme for the reorganization of the higher and lower elementary training schools for masters in this Presidency.

II

Official Memorandum No. 3176-2, Educational, dated 2nd January 1913.

In continuation of G.O. No. 1066, Educational, dated 3rd December 1912, the Director of Public Instruction is informed that the Government have under consideration a proposal to give immediate effect to the re-organization of the secondary training schools. Existing secondary and elementary schools may be utilized as practising sections pending further developments. Towards this end the schools proposed for Chittoor, Palghat and Tiruvallur may be tentatively located at Saidapet, Calicut and Tanjore respectively. For the six schools proposed, secondary classes are already available at Rajahmundry, Saidapet and Mangalore and for the remaining three at Coimbatore, Calicut and Tanjore the existing elementary schools can be utilized as the practising sections of the re-organized secondary training schools. The Director of Public Instruction is requested to submit at a very early date a proposition statement showing clearly the effects of these proposals.

L. DAVIDSON,
Ag. Secretary to Government.

To the Director of Public Instruction.

III

Letter—from the Hon'ble Sir ALFRED BOURNE, D.Sc., F.R.S., K.C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 8th February 1913.

No.—Ref. on Cur. 9710/12.

With reference to Government Memorandum No. 3176-2, Educational, dated 2nd January 1913, I have the honour to submit herewith a proposition statement showing the effect of the proposals made therein for the re-organization of secondary training schools and to offer the following explanatory remarks :—

(i) *Secondary Training schools at Tanjore, Calicut and Coimbatore.*—The scale of staff approved by Government for the secondary training section proposed to be attached to the model secondary school, Tiruvallur, is shown in the proposed scale for the Tanjore school and that approved for the training section proposed to be attached to the model secondary school at Palghat is shown for the Calicut school.

As for the model school it is proposed to have as a tentative arrangement a complete higher elementary school with standards infant to seventh. As under the re-organization scheme sanctioned in G.O. No. 1066, Educational, dated 3rd December 1912, there will be a lower elementary training school each at Tanjore and Coimbatore and a higher elementary training school at Calicut, and as the model schools attached to these training schools will have five standards from infant to fourth, it would suffice if provision is made only for the three additional standards V, VI and VII in each of the model schools for the proposed secondary training schools, as a temporary measure until the introduction of the scheme relating to model secondary schools. Accordingly a temporary staff of three teachers on Rs. 30, 25, and 20 is proposed. As the existing model school at Tanjore has, however, additional sections owing to

increase of strength, an extra teacher on Rs. 20 is proposed for this school. The temporary teacher on Rs. 40 sanctioned for each of these schools in G.O. No. 491, Educational, dated 1st June 1912, in connection with the training of an extra batch of lower elementary grade students will be considered as attached to the elementary training schools at these stations.

(ii) *Secondary Training school, Mangalore.*—The staff of the Mangalore training school as at present constituted includes an extra assistant on Rs. 30 *per mensem* sanctioned for secondary training work and the retention of this temporary assistant for one year from 15th January 1913 or until the introduction of the secondary training school scheme was sanctioned in G.O. No. 11-R., Educational, dated 6th January 1913. Hence this post is shown in the present scale.

The model school for the training section will be the secondary department of the Mangalore College and hence no provision is made for it in the proposed scale. The temporary assistant sanctioned in G.O. No. 491, Educational, dated 1st June 1912, in the existing higher elementary school will continue to be attached to the local remodelled higher elementary school.

(iii) *Secondary Training school, Rajahmundry.*—The first assistant of the training section is now doing duty in the model school attached to the Teachers' College, Saidapet. The post will now be restored to the Rajahmundry training school. Under the present scale, the teachers now working in the training section and the agricultural instructor are shown under the training section and the remaining members of the staff under the model school including the clerk and librarian who will continue to be attached to the model school even after the introduction of the model school scheme though on different rates of pay. Of the four menial servants one is shown under the secondary training section and the remaining three under the model school on slightly higher rates, as Rs. 5 is too low a pay for a peon. The temporary staff consisting of nine assistants, a Hindustani munshi, and a laboratory attendant, having been employed in connection with the model school, it will continue to be attached to the model secondary school.

(iv) *Teachers' College, Saidapet.*—Here the staff of the existing secondary training section has now to be distinguished in the present scale from that of the model school and the Kindergarten department. From this office letter Ref. on Cur. No. 1692, dated 18th April 1912, applying for sanction for the employment of temporary additional assistants for the model school it will be observed that only one assistant, viz., the assistant on Rs. 100—5—150 was reported to be in sole charge of the secondary training section, and that the number of temporary additional assistants required was calculated on the assumption that all the remaining staff would be available for work in that school and in the Kindergarten department. It may also be mentioned that the assistant on Rs. 80—1—100 of the training school, Rajahmundry, who is now temporarily doing duty in the model school is now proposed to be restored to the Rajahmundry secondary training school.

The net extra cost on account of the proposal will be Rs. 432½ *per mensem* of which Rs. 245 will be the charge on account of the three temporary model schools at Tanjore, Coimbatore and Calicut.

Endt. of the Accountant-General, No. T.M. 25/5-21322, dated 25th February 1913.

Forwarded to Government.

2. The entries in the column "present scale" have been compared with those in the registers of this office and are correct. Under the recent orders of the Government of India, fixed travelling allowance of the sub-assistants aggregating Rs. 4,875 *per mensem* should have been shown in the proposition statement—*vide* their Finance department letter No. 579-B.A., dated the 11th December 1912.

3. There is no audit objection to the proposal being sanctioned by Government and to the necessary provision being entered in the estimates for 1913-14 with the approval of the Financial Department.

J. F. GRAHAM,
Offg. Accountant-General.

To the Secretary to Government, Educational Department.

Order—No. 512, Educational, dated 4th June 1913.

In the Government Order read above orders were passed giving effect to the re-organization of elementary training schools in pursuance of the sanction accorded by the Secretary of State in his despatch No. 140, Public, dated 16th August 1912. The case of secondary training institutions was temporarily held over in consequence of His Lordship's intimation that his general approval of the proposals submitted in that regard must be read as subject to the qualification that it should in no way prejudice his decision on the proposed establishment of model high schools. The Government have now given the necessary further consideration to this matter and in view of the urgent need to create additional facilities for the training of secondary grade teachers they have resolved at once to revise present arrangements so far as the necessary reform can be carried out independently of the creation of model high schools by the temporary expedient of utilizing existing secondary or elementary schools as practising sections.

2. The six stations at which it was originally proposed to open secondary training classes were Rajahmundry, Mangalore, Chittoor, Coimbatore, Palghat and Tiruvalur. At Rajahmundry and Mangalore there are already secondary schools capable of furnishing the requisite practising material of the higher grade, and the selection of Saidapet in lieu of Chittoor will provide similar facilities for a third secondary training school. At Coimbatore an elementary school is available and the substitution of Calicut and Tanjore for Palghat and Tiruvalur will conveniently furnish the same material in the districts of Malabar and Tanjore. The Government approve the proposals now submitted by the Director of Public Instruction for the purpose of giving effect to this modification of his original scheme.

3. The annexed proposition statement shows the sanctioned staff for the secondary training classes and the practising schools which in pursuance of this decision will be temporarily located at Rajahmundry, Mangalore, Saidapet, Coimbatore, Calicut and Tanjore. The training sections will be permanently sanctioned and the headmasterships will be constituted into a new grade consisting of six appointments on Rs. 200 and forming part of the cadre of sub-assistant inspectors, while a further addition of four appointments on Rs. 100 will be made to the same cadre in order to provide for assistant masters.

The staff of the practising sections of the schools at Coimbatore, Calicut and Tanjore will be sanctioned temporarily for a period of one year or pending orders on the scheme for the establishment of model high schools.

4. The Director of Public Instruction is requested to submit a reappropriation statement for the extra charge in 1913-14 on account of the re-organization to be introduced under this order.

(True Extract.)

W. FRANCOIS,
Ag. Secretary to Government.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

No. 513.

From

THE HON'BLE MR. W. FRANCIS, I.C.S.,

Acting Secretary to the Government of Madras,
Educational Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF EDUCATION.

Dated Ootacamund, the 4th June 1913.

SIR,

With reference to the correspondence ending with your letter No. 2223, Education, dated the 27th September 1912, I am directed to address the Government of India on the subject of the re-organization of secondary training schools for masters in the Madras Presidency.

2. In his despatch No. 140, Public, dated 16th August 1912, the Secretary of State qualified his general approval of the scheme submitted for the re-organization of training schools and of the increased expenditure thereby involved by the intimation that the sanction accorded must not be regarded as in any way prejudicing his decision on the proposed establishment of model high schools. His Excellency the Governor in Council assumes, I am to say, that the despatch is to be read as sanctioning the entire expenditure contemplated and barring merely those developments which are necessarily based on the creation of model high schools. Orders have already issued introducing so much of the scheme as relates to the revision of elementary training schools and His Excellency in Council is particularly anxious not to defer the action so much needed for the purpose of increasing the supply of teachers with secondary training. He has accordingly as a provisional arrangement resolved to utilize existing secondary and elementary schools for the purpose of providing the practising sections required for the six secondary training institutions which it is desired to establish. The original scheme, it will be remembered, contemplated the attachment of secondary training classes to model high schools capable of furnishing the requisite practising material. As a decision has not yet been arrived at in regard to the establishment of such schools it has been found necessary to change the location of the secondary training institutions and as explained in the proceedings accompanying this letter they will be opened at Rajahmundry, Mangalore, Saidapet, Coimbatore, Calicut and Tanjore.

3. I am in conclusion to say that His Excellency the Governor in Council trusts that in the circumstances the Government of India will approve of the action which he has taken for the furtherance of the very important object of increasing the supply of highly trained teachers.

I have the honour to be,

Sir,

Your most obedient servant,

W. FRANCIS,

Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES TO G.O. Nos. 512-13, EDUCATIONAL, DATED 4TH JUNE 1913.

[SUBJECT.—Re-organization of secondary training schools for masters in this Presidency.]

EXTRACT FROM THE NOTES WITH G.O. No. 1066, EDUCATIONAL,
DATED 3RD DECEMBER 1912.

From the Government of India, dated 27th September 1912, No. 2223.

The Secretary of State has sanctioned the scheme for the re-organization of training schools for masters submitted to the Government of India in letter No. 916, Educational, dated 22nd December 1911, except so far as it relates to that of secondary training schools which is to lie over pending the decision of the Secretary of State on the question of the establishment of model high schools. There are now four secondary training schools at Calicut, Coimbatore, Tanjore and Rajahmundry. The scheme provided for their abolition and substitution of six secondary training sections of two classes each to be attached to selected model high schools at Rajahmundry, Chittoor, Tiruvälur, Coimbatore, Palghat and Mangalore. In paragraph 5 of letter to India No. 916, dated 22nd December 1911, it was stated that pending receipt of the Secretary of State's sanction to the model school scheme the four existing secondary training schools would be continued on their present lines. Thus the re-organization will be confined only to the higher and lower elementary training schools.

2 The addition to the sub-assistants' cadre proposed in letter No. 916, Educational, dated 22nd December 1911, for the whole scheme was 40. Of this that required for the secondary schools in order to provide for the recruitment of the headmasters and first assistants of the six sections was ten. The six headmasters were

to be put into a new grade on Rs. 200 each, while the four first assistants were to be on Rs. 100 grade. As the re-

organization of secondary training schools has not been sanctioned, the ten appointments specified above will have to be kept in abeyance and the additions to the sub-assistants' cadre will be as shown below :—

	Existing number.	Additions proposed according to the whole scheme.	Number to be now added.	Total.
Rs. 200	6	..	..	..
.. 175	10	..	..	10
.. 150	20	10	10	30
.. 125	29	1	1	30
.. 100	40	5	1	41
Probationary class Rs. 75	22	18	18	40
Total ..	121	40	30	151

No change is necessary in respect of the cadre of supervisors.

5. A draft order is submitted for approval. A proposition statement so far as it relates to the higher and lower elementary schools has been appended to the draft. It may be sent to the Financial Department for acceptance.

S.K.—12-10-12.

C. RAMANUJA CHARI—24-10-12.

Before the proposition statement goes to Financial, the Director of Public Instruction should see the case u.o. with special reference to paragraph 5 of India's despatch No. 66, dated 14th March 1912, which comments on the inadequacy of the remuneration for head teacher and the functions of the agricultural instructors. I am inclined to think the draft order should refer expressly to these matters.

L. DAVIDSON—26-10-12.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION.

The Secretary of State says that "pending or failing that sanction (to the model high school scheme) the four existing (secondary training) schools would continue to be used."

2. In paragraph 3, he re-capitulates the additional annual expenditure and in paragraph 4 accords his sanction "to the increased expenditure involved (by the scheme) as it stands."

3. I suggest that it is not therefore necessary to postpone all measures of re-organization in connection with the secondary training schools; what can be done independently of the model high schools may be done under the present sanction.

4. The only connection between the two schemes was the proposal to use secondary classes instead of elementary as models for the would-be teachers—we already have these secondary classes at Rajahmundry, Mangalore and Saidapet. It was proposed to have secondary training classes at the two former places and the classes proposed for Chittoor may be held for the present at Saidapet.

<i>Present location.</i>	
Calicut.	} Training schools
Coimbatore.	
Tanjore.	
Rajahmundry.	
<i>Proposed location.</i>

L. DAVIDSON—12-11-12.

training class may be held at Tanjore using the existing model (elementary) school for practice.

6. We want to get on without delay with the increased number of teachers taking secondary training, with the extension of the course to two years and above all with the securing better teachers for the training classes. The model high school scheme may not be settled for years and if the construction I suggest can be put upon the Secretary of State's despatch it would be a pity not to make some move forward. I have detailed proposals ready for submission if my view be accepted.

A. G. BOURNE—5-11-12.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

As the Secretary of State has accorded sanction generally to the expenditure involved by the scheme of re-organization submitted in this Government's letter No. 916, Educational, dated the 22nd December 1911, it would appear that the sanction covers also the re-organization of the training sections of the secondary training schools though these training sections will not have "model high schools" as practising schools. The Director of Public Instruction takes this view and suggests

that existing Government schools, secondary or elementary, may be worked as practising schools for the re-organized secondary training sections. Further the postponement of the re-organization of secondary training schools would leave the

* Pay of the headmaster of the secondary training school is Rs. 60—4—80. Pay of the headmaster of the higher elementary training school is Rs. 150. Proposition statement on page 7 of letter No. 916, dated 22nd December 1911. Page 4 of letter No. 916, dated 22nd December 1911.

2. But it is not clear whether the Government of India take the same view. They say that "a commencement may be made with the scheme at once save in so far as the Secretary of State's orders regarding the establishment of model schools may involve postponement". It is not clear whether this means that pending Secretary of State's sanction the re-organization of secondary training schools should be postponed and that the existing four secondary schools should be continued on their present lines. The Secretary of State's despatch is in very general terms and admits of the interpretation put upon it by the Director of Public Instruction and the Government of India's letter also does not stand against that view, if it is taken independently. The undertaking given by this Government in paragraph 5 of their letter No. 916, Educational, dated 22nd December 1911, that pending sanction to the model high school scheme, the four existing secondary training schools would be continued on their present lines, seems, however, to restrict the scope of the orders of the Government of India and the Secretary of State. The Director of Public Instruction's suggestion in his note of the 5th instant, involves the establishment of six schools—a number more than that contained in the undertaking. It is doubtful whether the Secretary of State would have sanctioned more than what was asked for. This question has to be decided first before any further action in the matter can be taken.

A comparative statement showing the several proposals in this respect is placed below for reference:—

Secondary training schools.

Places where it was proposed to attach secondary training classes to model high schools. (Sub-paragraph 2 of paragraph 5 of letter No. 916, Educational, dated 22nd December 1911.)	Places where secondary training schools now exist. (Paragraph 4 of letter No. 916, Educational, dated 22nd December 1911.)	Places where the Director of Public Instruction proposes secondary training schools may be established pending the introduction of the model high school scheme. (Paragraphs 4 and 5 of Director of Public Instruction's note on page 2 supra.)
1	2	3
Practising school. 1. Rajahmundry (Telugu) Model high school. 2. Chittoor (do.) Do. 3. Tiruvallur (Tamil) Do. 4. Coimbatore (do.) Do. 5. Palghat (Malayalam) Do. 6. Mangalore (Cannarese) Do.	1. High school attached to the Government College, Mangalore.

C. RAMANUJACHARI—11-11-12.

This statement brings out the issue clearly. It would certainly be a great pity if we had to hang up this part of the scheme pending the long-distant settlement of the model school controversy. But the point in issue is not a simple one and it may take time to decide. I would, therefore, reserve it for separate discussion and have accordingly modified the draft order, which may go to Financial for acceptance with

the request that the case may be treated as urgent. On return the notes will be printed emergent and a fresh current started on the question of the future of secondary training schools.

L. DAVIDSON—12-11-12.

To the Financial Department.

FINANCIAL DEPARTMENT.

The scheme for the re-organization of training schools for masters, which has now been sanctioned by the Secretary of State, relates to—

		Existing number of schools.	Proposed number of schools.
Paragraphs 4 to 8 on pages 2 and 3 of Letter, dated 22nd December 1911.	(1) Secondary training schools ...	4	6
	(2) Higher elementary training schools ...	15	10
	(3) Lower elementary training schools ...	11	14

The total extra cost involved under the three items together according to the proposals submitted to the Government of India by this Government, is—

	RS.
	36,724 per annum under "staff" and
	49,252 per annum under "stipends".
Paragraphs 12, 14 and 15 of Letter, dated 22nd December 1911.	Total ... 79,976 per annum (excluding capital cost under "buildings, etc.")

As it is not clear how far the orders of the Secretary of State permit of the immediate re-organization of the schools in item (1) above, Educational propose to consider the point and pass orders later on. As regards the schools in items (2) and (3) it is proposed to give effect to the re-organization immediately.

C. REILLY—20-11-12.

A. G. CARDEW—22-11-12.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

3. After issue of the order, the question relating to the secondary training schools will be taken up, as directed by the Secretary in his note, dated 12th November 1912 *supra*.

Better take this up at once.

L. DAVIDSON—23-11-12.

C.R.—23-11-12.

L. DAVIDSON—23-11-12.

The main file has been submitted to His Excellency the Governor as directed. A copy of the notes connected with that file has been made and a fresh file started to consider separately the question of the re-organization of the secondary training schools. Please see the notes on pages 2 and 3 *supra*. The point in issue now is whether the Secretary of State's sanction admits of the introduction of the reorganization proposed in the training sections of the secondary training schools in advance of the model schools scheme. The Director of Public Instruction's proposals are on page 2 *supra*, and are indicated in the tabular form printed on page 3 *supra*. The

remarks of the Financial Department may be invited as to the interpretation to be put upon the Secretary of State's despatch and the Government of India's letter. Some of the inconveniences of keeping in abeyance the re-organization of the secondary training schools are pointed out on page 3 *supra*.

C. RAMANUJACHARI—26-11-12.

It is very desirable to accept the Director's view if possible, for the decision of the model school project is likely to be long deferred and the educational development now in progress make the need for trained teachers more acute.

L. DAVIDSON—27-11-12.

To the Financial Department *u.o.*

FINANCIAL DEPARTMENT.

The question referred to this department for remarks is whether the portion of the scheme relating to the reorganization of secondary training schools may be given effect to immediately as proposed by Director of Public Instruction page 2 under cover of the sanction accorded by the Secretary of State for the general scheme of re-organization of training schools for masters.

2. The following extracts relating to this question from the correspondence which passed between this Government, the Government of India, and the Secretary of State have been made for facility of reference:—

"Paragraph 5 of this Government's letter No. 916, Educational, dated 22nd December 1911.—The scheme for the establishment of Model High schools not having yet received the sanction of the Secretary of State, it should be observed that, pending such sanction, it is proposed to continue on their* present lines the secondary training schools working at Calicut, Coimbatore, Rajahmundry and Tanjore:—

* The proposed training sections were to be at—

(1) Rajahmundry.	(4) Calicut.
(2) Chittoor.	(5) Palghat.
(3) Tiruvannur.	(6) Mangalore.

"Paragraphs 3 and 4 of Secretary of State's despatch to Government of India No. 140, (Public), dated 16th August 1912.—3. The scheme involves an additional annual expenditure of Rs. 79,976, viz., Rs. 86,724, under the head of staff for the training and practising schools (including certain local allowances which would facilitate elasticity of treatment) and Rs. 49,252 under the head of stipends of students

"4. . . . Accordingly, without in any way prejudicing my decision on the proposed establishment of Model High schools in the Presidency, I accord my sanction to the scheme now submitted generally, and to the increased expenditure involved by it as it stands, pending the submission of any proposals for its modification in detail which may be the outcome of subsequent correspondence between your Excellency's Government, and the Government of Madras.

"Paragraph 2 of Government of India's letter to this Government No. 2223, dated 27th September 1912.—It will be seen that a commencement may be made with the scheme at once save in so far as the Secretary of State's orders regarding the establishment of model schools may involve postponement."

3. It is submitted that the sanction for which application was made by the Government of India to the Secretary of State was financial sanction, and this has been accorded. In this sense, no further sanction of the Government of India or of the Secretary of State is necessary for the employment of the staff shown in the Column "Proposed scale" of the proposition statement attached to letter No. 916, Educational, dated 22nd December 1911 and to the payment of stipends referred to in that letter.

4. In view, however, of the remarks of this Government in paragraph 5 of letter dated 22nd December 1911 (there are at present only four secondary training schools, and under the scheme there are to be six secondary training sections), and in view of the remarks of the Government of India in their letter, dated 27th September

1912, it is submitted that it is necessary to inform the Government of India of the steps to be now taken for introducing the scheme relating to secondary training schools, and to obtain their confirmation.

5. The case may, it is submitted, be returned to Educational with the foregoing remarks.

C.P.K.—5-12-12.

S. D. SUNDARAM PILLAI—6-12-12.

We may agree to the modifications proposed being introduced at once, a copy of

A.G.C.—9-12-12. Good. L.D.—12-2-13.	our proceedings being sent to India with a covering letter reporting what we have done and requesting confirmation.
---	---

The Secretary of State has sanctioned the scheme of expenditure as it stands, and the only modification which he

Paragraph 4, page 4 of G.O. No. 106, dated 3rd December 1912. seems to bar is such as will anticipate his decision on the model high school scheme.

The Director of Public Instruction's proposals now made do not affect this latter scheme.

C. REILLY—6-12-12.

A. G. CARDEW—9-12-12.

H. A. S[UART]—10-12-12.

EDUCATIONAL DEPARTMENT.

It is submitted that the Director of Public Instruction may be asked to submit a proposition statement which should be attached to the draft order to the Government of India. Sufficient information is not forthcoming to enable its preparation here. The main points of difficulty are noted below:—

* Rajahmundry.	Coimbatore.
Saidapet.	Calicut.
Tanjore.	Mangalore.

Paragraph 6, page 3 of letter No. 916, dated 22nd December 1911.

lower elementary training schools. Thus all the six places will have both secondary and elementary training schools. The Director of Public Instruction proposes that the model schools for the secondary training sections at Calicut, Tanjore and Coimbatore should be the elementary schools.

Paragraph 5 of Director of Public Instruction's note, page 2 *ante*.

training schools in those places. There will therefore be two elementary schools side by side as practising schools—one for the elementary and the other secondary training school.

(2) The existing secondary training section of the Teachers' College as shown in the proposition statement on page 4 of G.O. No. 586, Educational, dated 3rd July 1912, includes two assistants who were reported to be working in the kindergarten section of the model school. It is not known how much of the existing staff shown under this secondary section should be replaced by the staff now to be sanctioned.

(3) In the case of the training school at Rajahmundry, the Vice-Principal of the school will presumably remain unaffected by the re-organization. It was intended that he should be a headmaster of the model school when one is established. The new headmaster on Rs. 200 will be in charge of the training section alone.

(4) The following temporary establishments have been sanctioned for the training schools at Tanjore, Calicut and Rajahmundry:—

G.O. No. 558, dated 22nd June 1912.	(a) Tanjore ...	Two teachers on Rs. 30 and 25 for the model school.	Up to 30th June 1913 or introduction of training school re-organization scheme.
G.O. No. 595, dated 4th July 1912.	(b) Calicut ...	Assistant on Rs. 25 for the model school.	Until the summer vacation of 1913 or re-organization of training schools.
G.O. No. 817, dated 21st November 1911. G.O. No. 42 N, dated 14th February 1912. G.O. No. 874, dated 1st October 1912. G.O. No. 312 R, dated 27th September 1912.	(c) Rajahmundry.	Ten assistants on Rs. 540 for practising section.	Until the re-organization of training schools and the introduction of model school scheme.
	...	One laboratory at-tender on Rs. 8.	Up to 30th November 1913 or until the introduction of the model school scheme.

It is presumed that these temporary establishments are to have the same tenure as the other establishments now sanctioned, though in the case of (c) above, the temporary establishment was required pending the introduction of the model school scheme.

(5) Each secondary training section is to have a peon on Rs. 7 under the new scheme. The existing menial establishments relating to the training schools at Rajahmundry, Calicut, Tanjore and Coimbatore are not given clearly in the proposition statement with letter No. 916 Educational, dated 22nd December 1911. In Coimbatore and Tanjore both the peons of the entire school are shown under the training section, while in the Rajahmundry school all the peons are shown under the practising section. The peons in Calicut are shown as being common to the two sections. As the new peon has to replace the existing peon intended for the training section, it is essential that the existing establishment must be distinguished between training and practising sections. The Director of Public Instruction will have to do it.

Pages 7 and 11 of *ibid*

Page 25 of *ibid*.

Page 16 of *ibid*.

the two sections. As the new peon has to replace the existing peon intended for the training section, it is essential that the existing establishment must be distinguished between training and practising sections. The Director of Public Instruction will have to do it.

2. A draft memorandum is submitted for approval. After the issue of the memorandum the file may be sent to the Director of Public Instruction u.o. for perusal.

C. RAMANUJACHARI—28-12-12.

L. DAVIDSON—29-12-12.

[Memorandum No. 3176-2, dated 2nd January 1913].

To the Director of Public Instruction after issue of memorandum.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

Returned after perusal.

J. H. SNOW—16-1-13.
512-13 Ed.—3

EDUCATIONAL DEPARTMENT.

From the Director of Public Instruction, R.O.C. No. 9710/12,
dated 8th February 1913.

The Director of Public Instruction submits the proposition statement for the re-organization of secondary training schools for masters in this Presidency which was called for in Memorandum No. 3176-2, dated 2nd January 1913. In the covering letter he fully answers the several questions raised in the office-note on pages 6 and 7 *ante*.

Paragraph 9, page 3 of letter No. 916, dated 22nd December 1911.

2. The staff proposed for the training sections of the six schools is the same as that originally recommended in letter No. 916, Educational, dated 22nd December 1911.

3. As regards the staff for *practising* sections, the schools at Saidapet, Rajahmundry and Mangalore are to have the existing secondary classes in those places as practising schools and no new staff is therefore required for these schools. In the remaining three places, viz., Calicut, Coimbatore and Tanjore, the model schools attached to the elementary training schools in those places are to be the practising sections for the secondary training schools also. The Director of Public Instruction proposes to raise these model schools to the status of complete higher elementary schools by the addition of standards V, VI and VII and to employ a temporary staff of three teachers on Rs. 30, 25 and 20 *per mensem* in each school. With regard to this proposal it is submitted that the Director of Public Instruction (Mr. Stone) when he submitted proposals for the re-organization of training schools in November

1910, stated that great difficulty was experienced in inducing pupils to attend the higher classes of complete elementary schools and that the maintenance of these schools at an adequate strength in the face of the competition of local secondary schools was found to be impossible. It was mainly for this reason that the proposal was made to utilize the secondary classes of model high schools as practising sections. But as in the present

case the proposal is put forward only as a *temporary measure* it may it is submitted, be approved. The scale of staff proposed seems also to be acceptable in view of the scale sanctioned for the model school of the lower elementary grade in G.O. No. 1066, Educational, dated 3rd December 1912. The headmaster and the first and second assistants draw Rs. 25, 20 and 20 respectively. The sanctioned pay of the headmaster of a *higher* elementary training school (practising section) is Rs. 50 according to the scheme.

The proposal to have one additional teacher on Rs. 20 for the school at Tanjore which is reported to have additional sections may also be approved.

4. There is a slight discrepancy in the proposition statement in the portion relating to the Rajahmundry training school. The pay of the Hindustani munshi in this school as sanctioned in G.Os. No. 589, Educational, dated 15th October 1910 and No. 62, Educational, dated 14th February 1912, is Rs. 30; but in the proposition statement it is put down as 30— $\frac{2}{3}$ —40. The Director of Public Instruction has apparently applied the revised scale of pay sanctioned for pandits and munshis in G.O. No. 921, Educational, dated 16th October 1912, to this temporary munshi also. But the scheme sanctioned specifically excluded this appointment as it was only a

L. DAVIDSON.

temporary one. The Director of Public Instruction's attention may be drawn to this and the necessary correction may also be made in the proposition statement. Otherwise the statement does not call for any remarks.

5. A draft order sanctioning the proposition statement and a draft letter requesting the approval of the Government of India to the issue of the draft order are both submitted for approval.

6. The only item which involves an additional charge in excess of that already sanctioned by the Secretary of State is the addition of temporary higher standards to the model schools at Tanjore, Coimbatore and Calicut. The temporary establishment on this account costs Rs. 245 *per mensem* or Rs. 2,940 *per annum*.

7. If approved the drafts may be sent to the Financial Department for acceptance.

† *Viz.*, Rajahmundry, Mangalore and Saidapet.

of the *six* ^{*} secondary training sections, the opening of which has been sanctioned, secondary schools are available for three [†] of them. For the other three, lower elementary schools alone are available to serve as practising sections, and it is now proposed at the instance of the Director of Public Instruction to add as a *temporary measure* (for one year at present) V, VI, and VII, standards to these lower elementary schools in order to make them complete elementary schools. The extra cost involved under temporary establishments on account of the opening of the additional classes is Rs. 245 [†] *per mensem*, and is over and above the sanctioned cost § for the whole scheme of re-organization of training schools for masters. The temporary additional classes will have to continue till the requisite practising sections are made available for the three training sections by the establishment of model high schools.

‡ Three teachers (Rs. 30, 25 and 20) for each of the three schools at Coimbatore, Calicut and Tanjore, and one additional teacher on Rs. 20 for the Tanjore school.

(Rs. 30 + 25 + 20) × 3 + 20 = 245.

§ Total cost is Rs. 79,976 *per annum*.

2. In the budget estimate for 1913-14 provision has been made only for the portion of the scheme relating to the organization of *higher and lower elementary* training schools. The Director of Public Instruction has accordingly to be asked to

Cf. paragraph 3 of Accountant-General's forward a re-appropriation statement for the extra charge* in 1913-14 on account of the revision now proposed to be introduced.

* (8 x 492½) or Rs. 3,463 roughly.

3. The drafts may, it is submitted, be accepted subject to the remark in paragraph *ante*.

[G.O. Nos. 512-13, Educational, dated 4th June 1913.]

G.O., No. 1066 Educational, dated 3rd December 1912. 14

G.No. 595, from the D.P.I., R.O.C. No. 9710/12, dated 8th December '12. 18

ORDER :- No 512-13-4.6.13
P.S.

In the Government Order read above orders were passed giving effect to the re-organization of elementary training schools in pursuance of the sanction accorded by the Secretary of State in his Despatch No. 140 Public, dated 16th August 1912. The case of secondary training -- institutions was temporarily held over in consequence of ~~the Secretary of State~~ *his despatch* intimation that his general approval of the proposals submitted in that regard -- must be read as subject to the qualification that it should in no way prejudice his decision on the proposed establishment of model high schools. The Government have now given the necessary further consideration to this matter and in view of the urgent need to create additional facilities for the training of secondary grade teachers they have resolved at once to -- *re-organise* ~~re-organise~~ *re-organise* the existing arrangements so far as the necessary reform can be carried out independently of the creation of model high schools by the temporary expedient of utilizing existing secondary or elementary schools as practising sections.

15 28

2. The six stations at which it was originally proposed to open secondary -- training classes were Rajahmundry, Mangalore, Chittoor, Coimbatore, Palghat and Tiruvalur. At Rajahmundry and Mangalore there are -- already secondary schools capable of -- furnishing the requisite practising material of the higher grade, and the selection of Saidapet in lieu of Chittoor will provide similar facilities for a third secondary training school. At Coimbatore an elementary school is available and the substitution of Calicut and Tanjore for Palghat and Tiruvalur will conveniently ^{furnish} provide -- ^{to some} similar material in the districts of -- Malabar and Tanjore. The Government approve the proposals now submitted by the Director of Public Instruction for the purpose of giving effect ~~to~~ to this modification of his original scheme.

3. The annexed proposition statement shows the sanctioned staff for the secondary training classes and the practising schools which in pursuance of this decision will be temporarily located at -- Rajahmundry, Mangalore, Saidapet, Coimbatore, Calicut and Tanjore. The training sections will be permanently sanctioned and the headmasterships will be constituted into a new grade consisting of six appointments on Rs.200 and forming part of the cadre of sub-assistant inspectors, while a further addition of four appointments on Rs.100 will be made to the same cadre

cadre in order to provide for assistant masters.

~~2~~ The staff of the practising sections of the schools at Coimbatore, Calicut and Tanjore will be sanctioned temporarily for a period of one year or pending orders on the scheme for the establishment of model high schools.

Letter. No 513 Pol 8-4-6-18

To

The Secretary to the Govt. of India,
Department of Education.

Sir,

With reference to the correspondence ending with your letter No. 2223 Education, dated 27th September 1912 I am directed to address the Government of India on the subject of the re-organization of secondary training schools for masters in the Madras Presidency.

2. In his Despatch No. 140 Public, dated 16th August 1912 the Secretary of State qualified his general approval of the scheme submitted for the re-organization of training schools and of the increased expenditure thereby involved by the intimation that the sanction ~~was~~ accorded must not be regarded as in any way prejudicing his decision on the proposed establishment of model high schools. His Excellency the Governor in Council assumes, I am to say, that the Despatch is to be read as sanctioning the entire expenditure contemplated and barring merely those developments which are necessarily based on the creation of model high schools. Orders have already issued introducing so much

25/12/8

of the scheme as relates to the revision of elementary training schools and His Excellency in Council is particularly -- anxious not to defer the action so much needed for the purpose of increasing the supply of teachers with secondary training. He has accordingly as a provisional arrangement resolved to utilize existing secondary and elementary schools for the purpose of providing the practising ^{teachers} material required for the six secondary training institutions which it is desired to establish. The original scheme, it will be remembered, contemplated the attachment of secondary training classes to model high schools -- capable of furnishing the requisite -- practising material. As a decision has not yet been arrived at in regard to the establishment of such schools it has been found necessary to change the location of the secondary training institutions and as explained in the proceedings accompanying this letter they will be opened at -- Rajahmundry, Mangalore, Saidapet, Coimbatore Calicut and Tanjore.

3. I am in conclusion to say that His Excellency the Governor in Council trusts that in the circumstances the -- Government of India will approve of the action which he has taken for the furtherance of the very important object of -- increasing the supply of highly trained teachers.

I have etc.

4. The D.P.I. statement for the reorganization

No. EDUCATIONAL, MAY 1913;
GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I
G.O. No. 1066, Educational, dated 3rd December 1912.

ABSTRACT.—

Letter—from the Director of Public Instruction
To—the Secretary to Government, Educational Department.
Dated—Madras, the 8th December 1912.
No.—R.O.C. 971.

Order—No. Educational, dated May 1913.

In the Government Order read above orders were passed giving effect to the re-organization of elementary training schools in pursuance of the sanction accorded by the Secretary of State in his despatch No. 140, Public, dated 16th August 1912. The case of secondary training institutions was temporarily held over in consequence of His Lordship's intimation that his general approval of the proposals submitted in that regard must be read as subject to the qualification that it should in no way prejudice his decision on the proposed establishment of model high schools. The Government have now given the necessary further consideration to this matter and in view of the urgent need to create additional facilities for the training of secondary grade teachers they have resolved at once to revise present arrangements so far as the necessary reform can be carried out independently of the creation of model high schools by the temporary expedient of utilizing existing secondary or elementary schools as practising sections.

2. The six stations at which it was originally proposed to open secondary training classes were Rajahmundry, Mangalore, Chittoor, Coimbatore, Palghat and Tiruvälür. At Rajahmundry and Mangalore there are already secondary schools capable of furnishing the requisite practising material of the higher grade, and the selection of Saidapet in lieu of Chittoor will provide similar facilities for a third secondary training school. At Coimbatore an elementary school is available and the substitution of Calicut and Tanjore for Palghat and Tiruvälür will conveniently furnish the same material in the districts of Malabar and Tanjore. The Government approve the proposals now submitted by the Director of Public Instruction for the purpose of giving effect to this modification of his original scheme.

3. The annexed proposition statement shows the sanctioned staff for the secondary training classes and the practising schools which in pursuance of this decision will be temporarily located at Rajahmundry, Mangalore, Saidapet, Coimbatore, Calicut and Tanjore. The training sections will be permanently sanctioned and the headmasterships will be constituted into a new grade consisting of six appointments on Rs. 200 and forming part of the cadre of sub-assistant inspectors, while a further addition of four appointments on Rs. 100 will be made to the same cadre in order to provide for assistant masters.

The staff of the practising sections of the schools at Coimbatore, Calicut and Tanjore will be sanctioned temporarily for a period of one year or pending orders on the scheme for the establishment of model high schools.

EDUCATIONAL DEPARTMENT
GOVERNMENT OF MADRAS
No. 1008, Educational, dated 2nd December 1912

Hand the following papers:
G.O. No. 1008, Educational, dated 2nd December 1912
To the Secretary to Government, Educational Department
From the Director of Public Instruction

Order No. 1008, Educational, dated May 1913
In the Government Order read above orders were passed giving effect to the re-organization of secondary training schools in accordance of the sanction accorded by the Secretary of State in his despatch No. 140, Public, dated 16th August 1912. The case of secondary training institutions was temporarily held over in consequence of His Excellency's intimation that the general approval of the proposals submitted in that regard must be read as subject to the condition that it should in any way pre-judicate his decision on the proposed establishment of model high schools. The Government have now given the necessary sanction to the establishment of model high schools and the urgent need to create additional facilities for the training of secondary teachers has been recognized. It is now necessary to revise the arrangements so far as the secondary section is concerned and to direct out independently of the creation of model high schools by the important expenditure of utilizing existing secondary or elementary schools as practising sections.

2. The six stations at which it was originally proposed to open secondary training classes were Rajahmundry, Mangalore, Coimbatore, Saidapet, Calicut and Tanjore. At Rajahmundry and Mangalore there are already secondary schools capable of maintaining the requisite practical masters of the higher grade, and the selection of teachers in view of Calicut will provide similar facilities for a third secondary training school. At Coimbatore a elementary school is available and the selection of teachers for Rajahmundry and Tanjore will conveniently furnish the same material in the districts of Madras and Tanjore. The Government approve the proposals now submitted by the Director of Public Instruction for the purpose of giving effect to this modification of his original scheme.

3. The annexed proposition states the reasons for the modification of the original scheme and the practical steps which in pursuance of this decision will be taken to effect the establishment of the secondary training schools at Rajahmundry, Mangalore, Saidapet, Coimbatore, Calicut and Tanjore. The training sections will be permanently established and the headmaster will be appointed to a new grade consisting of six appointments on the B.S. and leaving part to the care of independent inspectors while a further sanction of six appointments on the B.S. will be made to the same grade in order to provide for assistant masters.

4. The head of the practising section of the school at Coimbatore, Calicut and Tanjore will be sanctioned temporarily for a period of one year or pending orders on the sanction for the establishment of model high schools.

(The Director)

J. Davidson
Secretary to Government

4. The B.S. is requested to submit a proposition for the change of 1912-13 on account of the reorganization of the institutions under the order.

Dr 2/6 9
Recd No 513 dated 4-6-13 27
No. , EDUCATIONAL, MAY 1913.
GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.
No.

From THE HON'BLE MR. L. DAVIDSON, C.S.I., I.C.S.,
Acting Secretary to the Government of Madras,
Educational Department,
To THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF EDUCATION.
Dated Ootacamund, the May 1913.

SIR,
With reference to the correspondence ending with your letter No. 2223, Education, dated the 27th September 1912, I am directed to address the Government of India on the subject of the re-organization of secondary training schools for masters in the Madras Presidency.

2. In his despatch No. 140, Public, dated 16th August 1912, the Secretary of State qualified his general approval of the scheme submitted for the re-organization of training schools and of the increased expenditure thereby involved by the intimation that the sanction accorded must not be regarded as in any way prejudicing his decision on the proposed establishment of model high schools. His Excellency the Governor in Council assumes, I am to say, that the despatch is to be read as sanctioning the entire expenditure contemplated and barring merely those developments which are necessarily based on the creation of model high schools. Orders have already issued introducing so much of the scheme as relates to the revision of elementary training schools and His Excellency in Council is particularly anxious not to defer the action so much needed for the purpose of increasing the supply of teachers with secondary training. He has accordingly has a provisional arrangement resolved to utilize existing secondary and elementary schools for the purpose of providing the practising sections required for the six secondary training institutions which it is desired to establish. The original scheme, it will be remembered, contemplated the attachment of secondary training classes to model high schools capable of furnishing the requisite practising material. As a decision has not yet been arrived at in regard to the establishment of such schools it has been found necessary to change the location of the secondary training institutions and as explained in the proceedings accompanying this letter they will be opened at Rajahmundry, Mangalore, Saidapet, Coimbatore, Calicut and Tanjore.

3. I am in conclusion to say that His Excellency the Governor in Council trusts that in the circumstances the Government of India will approve of the action which he has taken for the furtherance of the very important object of increasing the supply of highly trained teachers.

I have the honour to be,
Sir,
Your most obedient servant,
L. DAVIDSON,
Ag. Secretary to Government.

4. The B.S. is requested to submit a proposition for the change of 1912-13 on account of the reorganization of the institutions under the order.

INSTRUCTIONS FOR THE
SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(6) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk at the top of the item. The particular papers to be printed in the special issue copies should be indicated by the Roman numeral (I, II, etc.), by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.

A
Please send proof in triplicate. The papers have been carefully edited.

B
Proof returned corrected. Please strike off and send number of copies as indicated.

C
As the matter is clear many script and has been carefully edited, (b) proof need not be sent. Please print and supply number of copies as indicated.

Type may be released after usual interval. at once.

Type may be released after usual interval.

Clerk.

Clerk.

Clerk.

Dy. Supdt.
