The Accountant-General/.

In order to give effect to the scheme of reorganization of the Law College sanctioned in G.O. No. 224, Educational, dated 13th March 1913, the Principal considers that it would be necessary to increase the menial establishment of the college. This establishment consists at present of six peons on Rs 8/- each besides three library attenders on Rs 10/- each, one of whom is on the permanent establishment and two are on the temporary establishment. Of the six peons one is reported to be in charge of the gate and the bell, one works in the library and a third in the office- going to the Bank or to the Accountant-General's office and attends to other work under the orders of the clerk. There are thus only three peons left to attend to the various class rooms and the members of the teaching staff. The Principal states that

neg - including

having regard to the strength of the teaching staff and the prolonged college hours, a duffadar on Rs 12/- and ten peons are necessary.

2. I agree with the Principal in thinking that some strengthening of the menial establishment is necessary, but I consider the additional number proposed by him to be rather extravagant. In my opinion the employment of two more peons including the duffadar or head peon should suffice. I have the honour, therefore, to recommend that two additional peons be sanctioned for the college with effect from 1st July 1913 and that the scale of pay of the eight peons (6 already existing and 2 now proposed) may be fixed as follows, with a view to allow of a fair flow of promotion among them ^{and} to graduate the salaries as far as possible according to their responsibility.

One Duffadar	Rs 12.
1 peon	" 10
1 peon	" 9
5 peons	on Rs 8 each.

Rs 71

The extra cost involved will be Rs 23 per mensem or 276/- per annum.

I shall submit the necessary re-appropriation statement on receipt of the Civil Budget Estimate for the current year.

I have the honour to be,

S i r ,

Your most obedient servant,

G. W. S. S. S.

2. The present cost of the permanent menial establishment (excluding the pay of the attender) is Rs. 48/- per mensem.

3. There is no audit objection to Government sanctioning the proposal of the Director of Public Instruction, but the extra expenditure should not be incurred before the necessary re-appropriation of funds is made.

There is no grade on Rs 12 ~~in any~~ for peons in any of the Colleges. ~~Therefore~~ The institution of a new grade on Rs 12. may be desirable as furnishing a grade for promotion. The additional hands proposed may be approved.

I do not imagine that Rs 12 is not of the way for a Taffadar in a Fort establishment with 7 or 8 peons; but of the wish to economize in the item, which need not prevent.

It is proposed to sanction, with effect from 1-7-13, the proposals of the B.P.F. (1) to increase the menial establishment of the Law college by 2 peons and (2) to revise the scale so as to allow a fair flow of promotion. The present and the proposed scales are:-

2. Item 1) The reasons for the increased staff are given in para 1 of D.P.P.'s letter. The law college staff as sanctioned in G.O. 224 Ed. 8715-3-13 is shown in the margin. The D.P.P. points out^② that of the existing 6 people, only 3 are available to attend the various classes as the rest have other duties to perform. It is submitted that according to the new arrangement the College hours are between 10 to 11 in the morning and 5 to 7 in the evening, and that, during these hours there will not be

much work to be done in the Library it does not appear necessary to have a peon there in addition to 3 attenders. Similarly during these hours very little work can be transacted with the A.C.'s office and the Bank. If this view is accepted, 5 peons instead of 3 can be made available to attend to the classes and it is doubtful if during this period there will be more than 5 classes held at a time. Attention is also solicited to the C.S.'s note of 13-12-10 and 17-2-11 (para 3), in

G.O's 1837 Jut. of 16-12-10³ and 455 W. of 23-3-11⁶. For orders whether Educational may, in these circumstances, be asked to consider whether an addition to the menial staff is really necessary.

3. Item 2. If the suggestion in para 2 is accepted, it is submitted that, looking to the menial staff employed in the Teacher's college and the Engineering college, it will be enough if the pay of one of the peons' posts on Rs 8 were raised to Rs 10 and designated Duffadar.

It is certainly undesirable to create a precedent for a head peon on Rs. 12 pm, as that will lead immediately to demands for similar treatment from other Colleges. We will accept a head peon on Rs. 10 and one on Rs. 9 so as to give some promotion, + I don't think we need object to the total n^o of peons being raised to 8 -
