GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, K.C.L.R., D.Sc., F.R.S.,
Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 10th April 1913.

No.—R.C. 10223/12.

I have the honour to submit herewith plans and estimates amounting to Rupees 19,200 for constructing a two-storied building in connection with Pachaiyappa's high school at Conjeeveram and to recommend that a half grant of Rs. 9,600 may be sanctioned. A copy of letter No. 7033, dated 7th April 1913, of the Secretary to the Trustees of Pachaiyappa's Charities explaining the nature of the soil and sub-soil is also submitted.

ENCLOSURE.

Letter—from the Secretary to the Trustees of Pachaiyappa's Charities, Madras.

To—the Director of Public Instruction.

Dated—the 7th April 1913.

No.—Ref. 7033.

With reference to your Proceedings Ref. on C. No. 10223 of 1912, dated 4th January 1913, I am directed to state that trial pits have been dug up to examine the soil and sub-soil up to a depth of 8 feet in the place where the proposed extension to Pachaiyappa's high school, Conjeeveram, is to be constructed. The soil to a depth of 3 feet from the surface is clay in various stages of consistency, the fourth and fifth feet are loamy with an increase in the proportion of sand in the fifth feet. Below the fifth feet the soil consists of sand.

I am to request that early sanction may be accorded to proceed with the work.

II

**Note by the Chief Engineer, Public Works Department, No. 239 D,
dated 27th May 1913.**

The Director of Public Instruction submits, through the Educational Department, estimates with four plans, amounting to Rs. 19,200, in connection with a grant-in-aid towards the cost of improvements and additions to the Pachaiyappa's high school at Conjeeveram, Chingleput district.

2. The plans and estimates have been scrutinized in the Chief Engineer's office and the following alterations have been made:—

(a) The lower storey should be built with brick in mortar. This will increase the estimate by Rs. 200.

(b) Scantlings of roof and floor timbers and sizes of rolled steel girders have been corrected where necessary.

(c) Twelve inches of sand filling under the Cuddapah slab floor is provided instead of 4" lime concrete.

(d) The base stones below the posts have been reduced from 12" x 12" x 9" to 9" x 9" x 9".

Contingencies and petty supervision should be provided at 5 per cent. and 2½ per cent. respectively. This will increase the estimate by Rs. 200.

3. It is recommended that the eave boards provided in the estimate be omitted as per Circular No. 64 C., dated 4th January 1903, which will give a saving of Rs. 120 nearly.

4. With these remarks the plans and estimates, amounting to Rs. 19,600, are recommended for sanction.

C. A. SMITH,
Chief Engineer, P.W.D.

Order—No. 523, Educational, dated 4th June 1913.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure nor Rs. 9,800 towards the cost of improvements and additions to the Pachaiyappa's high school at Conjeeveram, Chingleput district, subject to the following conditions:—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Member^s should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.
