The Director of Public Instruction submits through the Educational Department, for sanction, two plans and estimate amounting to Rs. 14,500 for constructing a G.L.M. secondary school at Tanjore.

2. The estimates have been scrutinized in the Chief Engineer's office and some minor alterations have been effected in the scantlings of roof and floor timbers.

3. Ferro-concrete corbel stones to support wall purlins of verandah have now been spaced 6 feet centres and the number thereby increased from 10 to 13.

6. With the above remarks, the estimate, as corrected in the Chief Engineer's office, amounting to Rs. 14,600, is recommended for sanction.
