STATEMENT OF THE OBJECTS, AND AN APPEAL ON BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL ORPHAN ASYLUMS were founded one hundred and six years ago for the gratuitous education, board and lodging of the orphans of Europeans and their descendants, who are not eligible for admission into the Military Asylums in the Presidency. They have thus stood the test of time, and continue to retain public confidence.

It is no easy task to feed, clothe and educate one hundred and eighty orphans. It is a still more difficult matter to successfully launch out in life these children, educated up to the Middle School Standard, to make their way through the ever-increasing crowd of better educated competitors.

The necessity, character and scope of the work done in these Institutions are well known to the general public in Madras, and the help received is practically confined to the residents in this City. But all orphans throughout the Presidency are eligible for admission. This fact, it may be assumed, is generally known throughout the mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the mofussil, for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

These Institutions are managed in an admirable manner by a particularly strong Directorate, who are elected by the subscribers.

The Bishop of the Diocese is the President, the Archdeacon and Garrison Chaplain are the Vice-Presidents, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. Though the religious instruction imparted here is in accordance with the tenets of the Church of England, destitute orphans of all denominations are admitted.

The Directors, therefore, earnestly request the *Clergy in the Presidency and Mofussil*, either to make regular periodical collections in their Churches on behalf of the Asylums, or else to circulate this appeal, together with the accompanying report, among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions which provide such efficient relief for the destitute and distressed members of their own community.

REPORT

OF THE

Madras Civil Orphan Asylums

AND

ST. MARY'S CHURCH CHARITY SCHOOL FOR 1912.

The Directorate has the pleasure of placing before the subscribers and friends of these Institutions a brief report on their working during the year 1912.

The boys and girls continued to be taught together. For educational purposes they form one school, but as the management of each school is independent of the other, the report deals with each branch separately.

Sergeant R. Wilson, Gymnastic Instructor, left on 6th July 1912, and was succeeded by Sergeant F. C. Baker on 3rd August 1912.

Mrs. S. Wilson, Matron, resigned on 9th October 1912, and was succeeded by Mrs. M. West on 10th October 1912.

Miss W. Burgess joined as 4th Asst. Mistress on 15th January 1912, and left on 31st January 1912, being succeeded by Miss Gladys Flynn, who joined on 26th February 1912.

Mrs. E. Knight, Head Mistress, left on 5th February 1912, and was temporarily succeeded by Mrs. M. Hall, who joined on 11th April, and resigned on 31st August 1912. Mrs. R. Dennis joined on 11th November 1912, and acted as Head Mistress up to 17th December, proceeding to England on 20th December 1912.

APPENDIX A.

The Garrison Chaplain's Report.

On April 9th, 1912, I took over charge, from the Rev. R. H. Welchman, of the customary duties connected with my office, and which fall under three heads:—

I. EDUCATIONAL.

Steady improvement continues to be made, as shown by the average marks gained at the Annual School Examinations for the last three years, viz:—1910: 40 per cent; 1911: 44 per cent; 1912: 50 per cent.

Taking into consideration the fact that the standard of marking has been raised each year, as have also the educational requirements, the above improvement may be considered satisfactory.

It has also to be borne in mind that the majority of the children admitted into the Asylums are very backward educationally: their education in some cases having been entirely neglected, as is evidenced by the fact that the average age of the Infant Section at the end of 1912 was 9 years and 6 months—a much higher average than in any other ordinary school.

The Inspector of European and Training Schools made his visit of inspection on 28th and 29th November last and expressed himself favourably impressed with the improvement that had taken place since the last inspection. His report has not yet been received.

As regards the Teaching Staff, there has been no change in the Male Asylum. In the Female Asylum, some difficulty has been experienced in obtaining a suitable Head-Mistress. Mrs. E. Knight left at the end of January. Mrs. M. Hall acted from 11th April to 31st August, being temporarily succeeded by Mrs. R. Dennis on 11th November. Miss M. Ridley was appointed Head-Mistress in January 1913, and joined for duty on 25th January. She has had 10 years' experience as a teacher, holds three English Certificates, and has studied for 2 years in King's College, London.

Two girls, Helen Shaw and Muriel Hughes, who left last year to continue their education at Bishop Corrie's High School and Doveton College, respectively, are both favourably reported on. Of the boys, Godwin Tapsall has obtained a Scholarship at Bishop Corrie's and joined that school on 27th January, and Jocelyn Williams, having successfully passed the competitive examination of the Madras and Southern Mahratta Railway for apprenticeship in the Permanent Way Department, has been temporarily appointed to Gooty.

Type-writing and Shorthand were introduced into the Curriculum last year, and in these, as well as in the other practical subjects of Domestic Economy, Cookery and Needlework, very fair results have been obtained, and the modified Curriculum has worked satisfactorily. The suggestions of the Ladies' Committee with reference to the re-arrangement of the Time-Table for Needlework, have been carried out as far as it has been practicable to do so.

Lantern Lectures on subjects both instructive and amusing have been given. The Band, under Mr. Moore, still maintains the improvement begun last year.

During the year, improvements in the Lighting and Seating Accommodation of the Class Rooms have been carried out, by the purchase, out of the Special Grant, of Dual and Kindergarten Desks. The surroundings have been brightened by pictures and diagrams.

Their Excellencies, Lord and Lady Pentland visited the Institutions on December 10th and their opinion is recorded in the following extract from the Visitors' Book :—

'Her Excellency and I have been glad to see this Establishment to-day. The watchfulness and solicitude of the Staff and of the Management are reflected in its aspect of contentment and cheerfulness. The grounds are spacious and the building substantial. The good work which is being done deserves every encouragement.'

II. DISCIPLINE.

This is well maintained, and the tone of the school on the whole is distinctly improving. As a means of raising the *esprit de corps* of the school, the School Badge and Motto were adopted in 1910. The Badges were not available for award until July, 1912, owing to the delay in getting them out from Cambridge. As pointed out in last year's Report, these Badges are awarded for all-round proficiency in the three branches of Education, *viz.*, Mental, Moral and Physical, to the pupils of Standards VI and VII. The first award of Badges was made on Sunday, 7th July, when the following were presented with Badges on the conclusion of Matins :—

VII. BOYS.—John Rose, Henry Kenrick, Godwin Tapsall, Fredrick Nott, Lawrence Wray, and Jocelyn Williams.

VII. GIRLS.—Alice Garwood, Sarah Marshall.

VI. BOYS.—Chas. D. Westwood.

The Cadets still uphold their reputation for smartness, although not so strong in numbers as last year owing to the withdrawal of boys who have attained the age limit. Our nominal strength is 50, but at present we can only muster 33. The Scout Patrols and Band have also suffered from the same cause. The Gymnastics and Sports can only be considered fair; the Swimming, however, is distinctly good.

A Branch of the Y. W. C. A. has just been started among the elder girls, which partakes of the nature of a club for social, recreational and educational (in a wider sense) purposes, and ladies attend every week to conduct it. It is an excellent thing for girls to get into touch with so useful a Society as the Y. W. C. A., which helps enormously so many young girls who have to work for their living.

III. SPIRITUAL.

Religious instruction is carried on daily at the School by the Teachers, and I conduct classes myself in the Chapel. Week-day and Sunday Services have also been regularly held. I must express my indebtedness to Mr. A. C. Board, for taking the Sunday afternoon Services, and also to Mr. A. E. Butler, of the Bible Society, for his Lantern Lectures.

The results of the Diocesan Prayer Book Examination held in 1912 show :—

Intermediate Grade :—3 obtained Certificates of Merit ; 4 passed.

Elementary Grade :—11 passed.

My greatest possible thanks are due to the Staff for their consistent good work during the year, especially to Mr. J. T. Buckenham, the Headmaster, for his untiring efforts in the betterment of the children's education.

B. M. MORTON,
Garrison Chaplain.

APPENDIX B.

Annual Medical Report of the Civil Orphan Asylums, Madras, for the year 1912.

I. GENERAL HEALTH.

There were 265 admissions into Hospital against 206 in 1911 and 476 in 1910. The increase in the year under report, as compared with the previous year, is due to a larger number of admissions under "Skin diseases" chiefly on the girls' side, and "Fever." The prevalence in 1910 of Mumps and Measles accounts for the large total for that year. The general health of the children has been good. There was no Epidemic Zymotic disease. Three cases were sent to the General Hospital and two to the Ophthalmic Hospital for treatment. The drainage in the Boys' Asylum is not satisfactory and I have consulted the Sanitary Commissioner on the subject ; he kindly promised to take action in the matter.

II. DEATHS.

No deaths occurred during the year under review.

III. DIETS.

No changes were introduced into the Diet Scale.

IV. CONSERVANCY AND BATHING.

Conservancy under the contract system is reported to be working satisfactorily. The arrangements for bathing are satisfactory. The Swimming Bath is much appreciated and affords wholesome recreation to many of the boys.

V. EPIDEMICS.

Nil.

VI. HOSPITAL BUILDINGS.

The main buildings are in good order ; the thatched sheds are continually in need of repairs and it might be worth while to erect permanent structures.

VII. COST OF MEDICINES.

Rs. 89-15-10 against Rs. 127-6-3 in 1911.

VIII. STAFF.

Colonel R. H. Elliot, I. M. S., has been in medical charge throughout the year. Apothecary G. Velloms continued in subordinate charge. Nurse Willoughby who resigned her appointment to better her prospects was succeeded by Nurse Dring on the 23rd September 1912.

IX. GENERAL REMARKS.

Cases of a serious nature are as a rule sent to the General Hospital. The thanks of the Directors are due to the Medical Officers of that institution for the ready help they have invariably rendered when asked to do so. The ladies continue to take an active and kindly interest in the children when in hospital and provide them with toys and books. The Subordinate Medical Officer has done excellent work.
