The Hon'ble Mr. T. V. Seshagiri Aiyar.

Question 5. Will the Government be pleased to lay on the table a list of the localities in which the 1,700 new elementary schools are to be started?

[Meeting of the 16th May 1913.]

2.
The following are the extracts from the notes in the
relating to the admission question no. 5:
H.E. the Governor.

I see no reason to correct the Additional
Member's careless phraseology. It is easy to
answer with some such opening words as
"The Hon'ble Member presumably refers to the
1700 schools on the establishment of which money
was spent in 1912-13".
The question may be admitted as it stands.

Submitted that the information required by
the Additional Member is not available here. It
is also doubtful whether the Director of Public
Instruction will have by now a complete list. The
Director of Public Instruction may be asked to
prepare one when the required information reaches
him and to submit it to Government to be furnished
to the Additional Member. The following draft
answer is for approval:-

"The Hon'ble Member presumably refers to the
"1700 schools on the establishment of which money
"was spent in 1912-13."

"Information for the preparation of the list
"desired is not now available. As soon as it --
"becomes ready the list will be prepared and --
"furnished to the Hon'ble Member."

The file may be forwarded to the D.P.I.,
who may be asked to state whether he sees any --
objection to the proposed answer.

The phraseology, particularly

of the second sentence I will require some change. I will discuss the matter with the D.P.I. The reference to 1,700 schools evidently comes from para 43 of the Finance Committee's Report.
