To The Secretary to the Government of Madras,
Educational ~~Local and Municipal~~ Department.
(Through the Accountant - General).
Sir,

I have the honour to request you to be so good as to obtain the sanction of Government for the employment for a period of one year from 1st May 1913 of an additional clerk on Rs. 20/- per mensem in each of the offices of the eight Circle Inspectors of Schools and of the three Inspectresses of Girls' Schools.

2. It is reported that the work in these offices has of late considerably increased owing to (1) the introduction of the Secondary School Leaving Certificate Scheme (2) the improvement of Elementary Education (3) the opening

of

of new Board Elementary Schools and the construction of buildings for them and (4) the payment of increased grants to Secondary Schools for teaching, furniture and books, and buildings.

The present scale of establishment was fixed several years ago when the correspondence and other work in these offices was less heavy. These officers are unanimous in their opinion that the present establishment which consists of four clerks finds it impossible to cope efficiently with the increasing work of their offices, notwithstanding the fact that the clerks work even out of office hours and on almost all holidays, and all of them have of late been urging strongly the need for an early revision of the existing scale of establishment and their salaries.

3. I am convinced that the work of these offices has grown very heavy of late and that a general revision of the scale of establishment and salaries is called for, but I do not intend addressing Government on the subject until the proposal to have District Inspectors ^{of Schools} and Supervising Headmistresses about which reference has been made in the three years programme is definitely settled. For some years tem-

lieve the pressure of work, but they are of little use as the men available for the posts possess very low educational qualifications. I

consider that a temporary additional clerk on Rs. 20/- per mensem for which salary a man holding a Secondary School Leaving Certificate can be had, would be more useful and be able to afford some tangible relief for the present in each of the above offices. If my proposal is approved the services of the present temporary attenders working in these offices will be required to be dispensed with.

4. The extra cost on account of the proposal will be Rs. 128/- per mensem or Rs. 1,536/- per annum. I shall submit the necessary re-appropriation statement on receipt of the Civil Budget Estimates for the current year.

I have the honour to be,

Your most obedient servant,

G. Krishnamoorti

No. 56257/12 dated 18. 4. 1903.

SUBJECT.

Appointment of a temporary clerk in the office of inspectors & inspectresses of schools.

The permanent establishment of each of the offices of inspectors & inspectresses of schools consists at present of the following appointments:—

	Pay (per annum)
1 head-clerk	Rs 50-2-60.
1 second "	" 25-1-30
1 third " and typist.	" 20-1-25. [†]
1 fourth clerk	" 15-1-20. ^②

The D.P.D. says that for some years these offices are having one temporary attender also. He does not quote the authority sanctioning the employment of this attender. Apparently, ~~he~~ he himself has sanctioned it and the pay of the post is met from ~~the~~ lump allotments for temporary establishment at his disposal. In ^{*}and this connection he stated that there was a similar post of attender in the office of the Inspector of European & Training School. 2. In applying for sanction to the employment of a temporary clerk on Rs 20 per annum in each of these offices, the D.P.D. does not establish the necessity for the add^l clerk by means

by means of facts & figures. He speaks in general terms about the increase of work in these offices. In 1911 when he applied similarly for sanction to the employment of additional clerks in his own office he was asked to justify the necessity for additional establishment ^{as far as possible} by facts & figures. It is for consideration whether he should be called upon to do so in the present case also or the temporary clerk may be sanctioned in view of the fact ^{recent} that the ^{educational} developments now ^{being carried out} ^{have} ^{been} ^{thrown} additional work on these offices and ^{SK} (2) that the proposal is a temporary one for one year for the present. There seems to be justification for adopting the latter course. If the proposal is to be approved, the file may be sent to Finance for acceptance.

The proposal is to replace seven temporary attenders by the same number of temporary clerks on Rs. 20 for one year. (I suppose it is notorious that the work in the Inspectorate offices has greatly increased owing to increasing educational activity in late years ^{expected} that it

Statistics were called for from all the
 right offices they would from this. It
 seems perhaps hardly necessary to put
 the proposal back some months for this
 to be done. The present scale has
 not been revised for at least five years

 the exact period) & the total cost
 of the proposal is Rs. 1536 for one
 year. Submitted that it may be
 approved.
