[Despatch Abstract.]

Exemption for examination - Regarding
 the _____ granted to S. A. Shant Mohi-
 nudan in G.O. No. 740 of 5 Dec 1902 so as to
 admit of his appointment to clerical posts carrying
 a pay not exceeding Rs 35 pm.

To

His Excellency,

The Right Honourable the Governor-in-Council,

M A D R A S.

Through

The Proper Channel.

The Humble Memorial of S. A. Sheik Moinudin permanent
2nd Abkari clerk of the Walluvanad Taluk Office.

Most humbly sheweth.

That with due respect and submission the memorialist
begs to submit that he is a Mohommadan aged 28 years and
a permanent resident of Walluvanad Taluk; that both me-
morialist and his elder brother Ahamad Hosin (a clerk
in the sub registrar's office, Palghat*now) studied in the
Walluvanad Lower Secondary school and passed the said
examination; that as their father died while they were
young the memorialist and his brother were not fortunate
enough to obtain a liberal education as there were none
to pay for their schooling; and that therefore memorialist
and his brother discontinued their study and sought some
posts in the Walluvanad Taluk office, but as the examina-
tion rules were in strict force then that only passed
candidates could be appointed to posts carrying Rs. 15/-
and upwards, memorialist and his brother were given only
some acting appointments.

2. That the memorialist further respectfully submits
that on examining his father's records it has been found
that all his father and his ancestors had rendered valuable
and efficient services to the British Government and a

certificate granted by the then Tahsildar Magistrate of, Walluvanad in 1867 testifying to the above meritorious services was also discovered; that with the copy of that testimonial the memorialist and his brother applied to the Special assistant Collector of Malapuram (Mr. A. R. L. Tottenham) and he recommended memorialist and his brother for exemption from the operation of examination rules; and that accordingly memorialist and brother were exempted from examination up to Rs. 20/- (Vide G.O. No. 740 of 5-12-1902, copy attached) and consequently they were entertained as clerks in the Taluk office.

3. That in order that the memorialist and his brother might also obtain higher appointments in public service as their ancestors, the same Divisional Officer again took the trouble of recommending them to Government for permitting them to appear for special test examinations and the Government was pleased to accord sanction for their appearing for Revenue, Account and Translation tests in the years 1904 and 1905; (vide G.O. No. 79 of 29-1-04 copy attached) that therefore the memorialist and his brother procured all the necessary books and ~~examined~~^{studied} themselves in appearing for the examinations; and that though they appeared for the examinations with full hopes yet they unfortunately failed as the question papers were very stiff and extremely difficult--- That now a days candidates are allowed to refer to their books when answering papers but it was not the rule then and ~~hence~~^{there} cause of their failure; and that afterwards memorialist's brother entered the Registration Department.

4. That the memorialist again respectfully begs to state that according to recent Government orders unpassed persons who are just able to read and write are permitted

to be appointed on Rs. 20/- in any department, and thus unpassed and unqualified individuals are holding appointments of Rs.20/- at this very moment; that in addition it has been found that several persons in other departments who are literally unpassed and who do not know a word of english have been exempted and given posts on Rs. 50/- and above, and that such being the case the memorialist humbly thinks that he and his brother are rightly entitled to get the above G.O. issued in their case favourably modified and altered, and therefore the memorialist most fervently prays that the concessions prayed for may be granted to them.

5. That the memorialist again begs to add that soon after this Malabar District was rescued from the hands of Tippu sultan, British Government appointed a Supervisor for the district and under him memorialist's great grand father (3rd grand father) Sirdar Bahadur Sheik Mohamed serdiar was appointed sirdar of Ernad Taluk, that at that time the taluk was full of robbers and ricters who were all suppressed and put down by him as best as he could and while performing these ardent duties he and his younger brother were brutally stabbed and murdered by robbers from Pandicad, that then that appointment was conferred upon his son (memorialist's 2nd grand father) Mohamed Galib, who continued in that appointment of Serdar for a long time; and that because he also exerted and quelled the rebellions he obtained very many honours and distinctions from government for his meritorious services and died, and that his son and successor Sheik Moynuddin (memorialist's 1st grand father) having been of unsound mind could not be employed in the service of Government. That it may also be mentioned here that memorialist's eldest brother Mohamed Ghouse was appointed Sub Registrar in 1895 but he died suddenly after having been in service only for a short time.

6. That in this connection the memorialist begs to submit that when their father became old he was appointed Taluk Duffadar. During the period of his service, he had to go with several European and Native officers to places of mopla outbreaks which were too numerous and frequent in the Ernad and Walluvand Taluks then; and had done excellent and noteworthy services, and this was mentioned in the certificate granted by the Tahsildar magistrate in 1867, that similarly in 1894 some 36 moplas proceeded from Pandicad, went to several places and committed hubbubs for a week and at last they were shot and killed at Pallikurup temple in mannarghat; that in order to molest and prevent those rioters memorialist's maternal uncle Rahemanha Pattani went with many men and did the needful at --- Pallikurup, and that the then collector and District Magistrate Mr. Bradley, gave a certificate to their uncle for his having rendered efficient and valuable service to the state. That the copies of those two certificates were attached with our memorial of 1902 submitted through the Divisional Officer, Walapuram, and they will be seen among the records in the Government office.

7. That the memorialist again respectfully submits that both he and his brother are only petty clerks at present, because and simply because they have not passed any higher examinations; that both of them are fully conversant with the works of all branches of their respective offices and they can discharge those duties without mistake or complaint to the entire satisfaction of their superiors; and that from the circumstances mentioned in paras supra the memorialist and his brother have a right to claim at the hands of the benign Government that they may be exempted from passing higher examinations and be given better appointments suited to their capacities.

(5)

8. That the memorialist for himself begs to state that he has at present the capacity and capability to discharge all the works of a Taluk Office without any complaint whatever and that as regards his brother Ahamad Hosin he respectfully states that he has already submitted his memorial to Government through the Registration department.

9. In these circumstances the memorialist most humbly and fervently prays His Excellency-in-Council will, in kind consideration of the meritorious and efficient services rendered by his ancestors even at the risk of their lives, and sympathising with the backward condition in which he is placed, be generously pleased to exempt him from the examination rules so as to enable him to hold posts carrying salaries up to Rs. 150/-

For which act of benevolent justice, the memorialist shall as in duty bound, ever pray.

2. The Memorialist is the only Mohamedan Clerk in this Office. He has put in nearly 10 years' service, and has picked up work satisfactorily. He is one of the good Clerks in the Office and has a fairly sufficient knowledge of English and can draft ordinary Correspondence unaided. He is honest and very hardworking and deserves encouragement.

2. Attention is invited to G.O., No. 413-Misc.,

promotion at present. I think he might be exempted

pay not exceeding Rs. 35 per mensem are concerned. This
concession would enable him at any rate to look forward
to promotion if he is fit for it in the Taluk Office.

In 1902 the petitioner was exempted from the examination rule for employment in posts on salaries not exceeding Rs 20 in the Malabar St. In 1902 he was permitted to appear for the Revenue, Account and Translation tests, lower grade, at the examinations held in 1902 & 1905. He appeared for the tests in 1905 & failed. In 1907 he again applied for a general exemption from the upper secondary examination so as to enable him to make continued efforts to pass the tests without limit of time. This request was not

Complied with. In 1909 he applied for permission to appear for the three tests specified above at the examinations held in 1909 & 1910 but permission was not granted. He now reports that he may be exempted from the examination rules so as to enable him to hold posts carrying salaries up to Rs 150. He is now a clerk in the Taluk Office apparently on Rs 20 p.m., has put in nearly 10 years service and is stated to be 28 years of age. The Tahsildar speaks well of the petitioner and the Collector recommends that he might be exempted from the examination rules as far as appointments and pay not exceeding Rs 35 p.m. are concerned. The Collector states that the petitioner has no prospects of promotion at present and the concession recommended would enable him at any rate to look forward to promotion if he is fit for it in the Taluk Office. The pay of head clerks in Taluk Office is Rs 35 p.m. and no special tests are prescribed for ^{clerical} posts carrying a salary not exceeding Rs 35 p.m. In view of the circumstances stated & in view of the fact that the petitioner is a Muhammadan well reported on by his immediate superior, the Collector's recommendation may be supported in Revenue & the file returned to Education.
