(Through the Accountant - General)

I have the honour to request that you will be so good as to obtain the sanction of Government for raising to Rs. 7 the pay of the gardener on Rs. 6 in the Teachers' College, Saidapet, with effect from 1st May 1913.

2. There are at present three gardeners in the College -- two on Rs. 7/- each and one on Rs. 6/-. In this office letter R.C. No. 6424/11., dated 11th November 1911 it was recommended that the pay of the two gardeners then in receipt of Rs. 6/- and 5/- per mensem be raised to Rs. 7/- each, but in G. O. No. 98 Educational, dated 6th February 1912 it was raised to Rs. 7/- and Rs. 6/- respectively. The Principal reports that

as all the three gardeners do the same amount of work the man on Rs. 6/- is discontented and naturally expects to be placed on the same footing as the other two men.

I beg to support the Principal's proposal, especially as good gardeners cannot be had for any less pay than Rs. 7/- per mensem.

3. The extra cost will be met from the contingent allotment of the College.

I have the honour to be,

G.No.1516, from the D.P.I., No.3175, d/30-4-1913.

Subject.

Raising of the pay of the gardener attached to the Teachers' College, Saidapet, from Rs 6 to Rs 7.

Please see G.O.No.98, Edl., dated 6th February 1912, and the notes connected with it. The fact that good gardeners cannot be had for any pay less than Rs 7 was already pressed by the Director of Public Instruction in his u.o. note of 10th January 1912. It was on this account that Financial agreed to pay one of the gardeners the higher pay, the lower pay being considered sufficient for the others whose work should be only of the nature of cooly work. Eventually two were allowed on the higher pay and the third on Rs 6.

The Director now points out that all the three gardeners do the same amount of work. The difference in pay was designedly made in view of the difference in the quality of work expected of the gardeners. This position may perhaps be explained to the D.P.I. and he may be asked to state whether it will not be possible to arrange the work so as to confine the superior work only to the two men on higher pay and to keep the third mainly for watering purposes. The work to be done is detailed in para.2(c) of the Director's letter on page 3 of G.O.No.98, Edl., dated 6th February 1912.
