Mr. 18/6

Please see pages 17 and 18 of the
report of the Conference on the Education
of the Dominated Community held at Simla
in July last. Dr. Bourne suggested ^{to the Conference} the
location of the ^{Training} College at Bangalore and
~~or elsewhere~~ ^{as to the} the suggestion
was accepted by the Conference. The Govt
of India have called for a report
on the resolutions from the local govt.
and in doing so they have indicated their
views generally on each resolution. Their
observations in respect of Res. no. IV, the
institution of a training college are on page
3 of go 70 S2 of 29-1-13. Madras govt.
have called for a preliminary report
from the Director & this has not yet
been received. At the beginning of this
month, Sir Alfred Bourne stated that
he had collected the necessary
materials for the report.

2. Sir Alfred Bourne may first be
asked whether he could attend the con-
ference with the Inspector of European
Schools.
