TESTIMONY

OF

S. VENKATA KRISHNA ROW

Founder and Manager R. H. H. School  
Vizianagram.

1.

I have known Mr. V. Krishnarow Pantulu both as a student and as a teacher for upwards of ten years. Though he was compelled to give up his studies while in the Matriculation class, he possesses a fair knowledge of English that will do credit to one of superior education. When the school fees were raised in 1883, he felt so much for the poor, that he started a school in this town called RIFON SCHOOL and charged very moderate fees, and thus rendered immense good to this locality as well as its surrounding parts. It has been gradually raised to a First Grade High School and is now placed under efficient management. Mr. S. V. Krishnarow is a man of much tact and practical skill and would be found very useful in the management of whatever affairs that may be entrusted to him. The perseverance that he showed in the management of his school under great difficulties is admirable. He carries my best wishes wherever he goes.

2.

Snaraffkhana Venkata Krishnarow Pantulu is well known to me for many years as a staunch advocate of the students' cause, and better so for the last one year, as the Manager of the Ripon High School Vizianagram, under the general management of a Committee, of which I enjoy the honor of being a member.

He is bold, intelligent, clever at keeping accounts and the like and shows decided ability in managing any business, with the greatest ease imaginable. In short, his business capabilities are rare, and his presence of mind remarkable.

During the year of my official connection with him, I have not had the slightest cause to doubt his integrity or other competency to hold the highly responsible position he now occupies. With superior qualifications latent in him he really deserves every encouragement and promotion and carries my best wishes wherever he goes.

3.

I have known Mr. S. V. Krishna Row for some years. He opened a small Primary School here a few years back and has developed it eventually into a High School. Considering his limited resources, I believe the circumstance that he was able to maintain it for many years is really creditable to him.

...near that he is going to  
Firm up in the North as their travel...  
from what I know of him, I believe that he will be  
highly useful to his employers.

4.

I have known Mr. S. V. Krishna Row Pantulu for more than ten years, first as a student of the Maharajah's College, and subsequently as the Manager of the Ripon Hindu High School. He is an intelligent young man, full of enthusiasm for the cause of education. About ten years ago, he started a Primary School in this town, which under his able management, soon became a Middle School and subsequently rose to the status of a High School. He seems to have spared neither time nor money in this laudable undertaking. I believe that the services, which this gentleman has rendered to the cause of education in our town, will soon receive a fitting recognition at the hands of the Government.

Extract from the East Coast News Vizagapatam.

(The Ripon Hindu High School at Vizianagram.)

It is generally known that there has been  
 in the last eight or nine years at Viziana-  
 gram a large school known as the Ripon Hindu High  
 School started, established and maintained by the  
 praiseworthy, individual exertions of an enterpris-  
 ing young Brahman gentleman of moderate means  
 but high principles.

In this school which maintains a staff of trained  
 masters and teachers of all grades the boys are taught  
 up to the Matriculation Standard, and has in this  
 respect and in point of efficiency been known to  
 compete with the famous First Grade College at  
 Vizianagram with its most liberal staff of Professors  
 and Teachers.

The worthy young gentleman whom we have  
 referred to is known as S. Venkata Krishna Row  
 and is himself the Manager of the Institution which  
 he has established. The number of boys that are  
 receiving instruction in this school exceeds 250 and  
 from all the accounts that have reached us the Insti-  
 tution seems to be based on sound principles.

Doubtless the individual means at the command  
 of Mr. S. V. Krishna Row are not sufficient to main-  
 tain the required staff and many a liberal minded  
 gentleman is its permanent supporter. \* \* \* \* \*

\* \* \* \* \* It is expected that His Highness the  
 Maharajah of Vizianagram will with his known libe-  
 rality support the Institution, so that nothing may  
 be wanting to ensure its permanency.

\* \* \* \* \* It is such gentlemen

of enterprising spirit as the above  
 Krishna Row who are to be honored  
 as Rai Bahadur and the like as there are few equally  
 situated who have with the same disinterested mo-  
 tives devoted themselves and their all to the establish-  
 ment and maintenance of such a philanthropic Ins-  
 titution as the Ripon High School at Vizianagram.

*Extract from a Prospectus issued by the Managing  
 Committee of the Ripon Hindu High School  
 Vizianagram, Dated 1st Dec. 1893.*

The Ripon Hindu High School, Vizianagram,  
 was instituted in honor of that large hearted Viceroy  
 the Marquis of Ripon, whose deserving name and  
 angelic rule are deeply enshrined in the adoring hearts  
 of India's grateful sons, and has had brilliant career  
 of full ten years, during which period, by the inde-  
 fatigable exertion and heroic self sacrifice of its able  
 Manager, Mr. Sharafkhana Venkata Krishna Row  
 Pantulu it won a reputation and popularity quite  
 worthy of its noble and laudable object.

I have known Mr. S. V. Krishna Row for many  
 years and can bear testimony to his intelligence and  
 business capacity. He possesses great tact and

ful. He writes good English and is well-informed.

8.

I have known S. Venkata Krishna Row for several years. For sometime he was a pupil in the Vizianagram College in the Matriculation Class of which I was in charge. He is intelligent and possessed of a quick and lively manner and a great degree of readiness. As regards his attainments in English and his general information, he is better than many Matriculates though he did not succeed in passing the Examination.

He was doing good work as the Secretary of a Literary Society and has for some years been managing a school which was lately raised to the Matriculation Standard. He has an eminently practical turn and considerable tact in the management and superintendence of things.

Extract from a letter of the late Mr. Jiddu Sunda-  
Sundara Row Pantulu B. A.

35 Nullathambi Mudalai Street, Madras, Triplicane

20TH FEBRUARY 1895.

My Dear Friend,

\* \* \* \* \* You may be tired of the school but how can that be, when that Matric success of last year are so encouraging? Every one working for the school had signal remuneration for his arduous labours in that his object in view had been gained. Further your past career shows that you are proof against fatigue, and how can any one imagine that your nature is suddenly changed, and that a project so dear to your heart has suddenly fallen out of favour with you? \* \* \* \* \*

\* \* I cannot take leave of this item of my letter, without remarking that the school project though due to your purile whim, is in my estimate, started in one of the luckiest moments of your life, and as such, is the surest and safest beacon light, believe me, that can lead you on to that goal of sunny prosperity, where unmixed satisfaction shall fondle you to an easy repose on the sweet laps of a smiling fortune. Be wealthy, healthy, powerful or any thing you like, still you may not have an easy mind. But have a pure conscience, that always tells you that you have done your duty and that aright then, sure you are the happiest being on the face of the Globe. \* \* \* \* \*

\* \* \* \* \* They are never shown even the
