May it please Your Excellency,

With feelings of regret and hopefulness, I put myself before your excellency, with my humble petition. Owing to my illness, I was obstructed in the way of my school career. On discontinuing the studies, I applied to the principal, for the merit of my promotion to the Fifth Form.

In that application I stated him all the circumstances, lest any troubles should arise, in my promotion.

Having looked into my progress, he sent a note to my father, which I have enclosed here. Without being aware of the 60% of the class working days, I gave up the college on the 17th of Febr. The principal did not give me any previous information of the 60 class working days. I would have gladly attended the college, if he had made it known to me. Besides the note itself he sent, made me to stay at home. According to my ability in class, my promotion is unobjectionable.

If in case, I am not entitled for
promotion, according to the regulations
of the S. S. & C. Exam. I wish to follow
the Metriculation Course.

Now since I am
deprived of right for promotion, I leave
this question to the discretion of your
excellency.

I beg to remain,
Your Excellency,
Your Most Obedient
Servant.
