Sir,

I have the honour to submit copy of a letter from
the Principal, Presidency College, Madras C.No. 153/13,
dated 26th February 1913 and to state that Miss L. Philipsz,
who is now in the B.A. Junior class - Honours course, is
getting a scholarship of Rs.14 per mensem under the Government
scholarship Notification for the year July 1912 to June 1913.
She passed the Intermediate examination in 1911, but as
she did not apply for the Collegiate Scholarship under the
Code of Regulations for European Schools, the two Collegiate
scholarships available for that year were awarded to other
candidates. Miss Philipsz requests that, as she is studying

B

*Rule 162 of the
Code of Regulations for
European schools*

for the Honours course and is required to attend two colleges and is thus put to much expense, she may be given a Collegiate scholarship under the Code of Regulations for European Schools in lieu of the Government scholarship of Rs.14 which she is now getting. She further requests that to make up for the loss, she may be given the maximum amount of the Collegiate scholarship which is Rs.30 per mensem. She cannot be given a Collegiate scholarship as there is no vacant scholarship of that grade, the two scholarships available for 1912 having already been awarded to other candidates. But, as she is taking the Honours course, I beg to recommend with a view to the encouragement of higher studies among women, that she may be treated as a post graduate student, and that she may be awarded a post graduate scholarship of Rs. 20 per mensem. Out of the six post graduate scholarships available under Section II of the Government Scholarship Notification of 1912-13, one was not awarded and is therefore available.

I have the honour to be,

S i r,

Your most obedient servant.

To

The Director of Public Instruction,

Sir,

I have the honour to submit a letter from Miss L. Philipsz a student in the 3rd Year Honours class of this College, requesting that a scholarship of Rs.14 which she holds may be converted into a European Scholarship.

2. The circumstances of the case are these:- Miss Philipsz joined the College in January 1909 and was granted scholarship of Rs.7 under the Government scholarship Notification in your Proceedings R.C. No. 2020/09 dated 5th June 1909. She passed the Intermediate Examination in 1911 and applied for a renewal and enhancement of the scholarship, which was sanctioned in your Proceedings Dis. No. 5999/11, dated 5th September 1911. She did not apply for a Collegiate scholarship under the Code of Regulations for European schools.

3. Miss Philipsz fell ill during 1911-12 and was allowed to degrade a year, but her scholarship was renewed on her joining College in 1911-12 Vide Your Proceedings Dis. No.5393/12 dated 6th August 1912.

4. She is ~~is~~deserving student and her case merits favourable consideration.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

With reference to Government Memorandum No. 1675-A.1
Educational, dated 2nd June 1913, I have the honour to state
that the subject which Miss Philipsz has taken for the honours
course is English Language and Literature. I am aware that
this is not one of the subjects for which a post graduate
scholarship can be awarded under the Government Scholarship
Notification. It will be seen, however, from my letter R.C. No.
1774/13, dated 20th May 1913 that a post graduate scholarship
which happened to be vacant has been recommended to her as a
special case.
