The Director of Public Instruction submits, through the Educational Department, seven plans and estimates amounting to Rs. 21,557 for constructing hostels for Christian and Hindu boys in connection with the Caldwell High School at Tuticorin, Tinnevely district.

2. The amounts of the several estimates are shown below :—

(4) Improvements to existing latrines	300
(5) Two sick rooms and a bath room	700
(6) Two galvanized iron tanks	100
Total	21,557

3. The plans and estimates have been scrutinized in the Chief Engineer's office and the following alterations have been made :—

(a) Two girders have been provided in each large room of the Christian and Hindu hostels and the unsupported length of the joists reduced from 16 feet to 10 feet as altered in green in the plan and estimate.

(b) The abutments of the end arches in the front and rear verandahs of the Christian hostel and verandah of the Hindu hostel should be increased from $2\frac{1}{4}$ feet to $3\frac{1}{2}$ feet as shown in green on the plan.

4. Two windows may be provided in the end walls of the hostels instead of one.

5. By the alterations referred to above the amount of the estimate for the Christian hostel is increased from Rs. 11,300 to Rs. 12,260 and the estimate for the Hindu hostel is reduced from Rs. 7,809 to Rs. 7,612.

6. The Superintending Engineer should satisfy himself as to the suitability of the foundations provided.

EDUCATIONAL DEPARTMENT.

The Chief Engineer's recommendation for sanction of the estimate amounting to Rs. 22,320 having been received, it has now to be decided what amount of grant should be sanctioned. Ordinarily, the

Page 10 of G.O. No. 370, Educational, dated 1st May 1912. maximum grant admissible under article 54 (1) of the Grant-in-Aid Code is one

half of the total cost, namely, Rs. 11,160. But in this case the Director of Public Instruction states that the management is able to contribute only Rs. 2,825 and recommends that the balance amounting to Rs. 19,495 may be sanctioned as a grant.

2. In G.O. No. 448, Educational, dated 15th May 1913 the Government have accepted the proposal of the Director of Public Instruction to override the provision of the Grant-in-Aid Code in individual cases of a special character. The proposal in the current file was submitted to Government before the issue of that Government Order and consequently the Director of Public Instruction has not examined it with special reference to the instructions contained in that Government Order. It is for consideration whether he may now be requested to justify the

proposal in the light of those instructions or whether the statement in the Director's letter that the management can contribute only the sum specified may be accepted and his recommendation for grant may be taken to imply that the efficiency of the institution justifies the special treatment proposed. It may be observed that this was one of the cases mentioned by the Director of Public Instruction in his letter in which application for general relaxation of the rules was made.
