NOTES CONNECTED WITH G.O. No. 631, EDUCATIONAL, DATED
5TH JULY 1913.

[SUBJECT.—Proposals for the distribution of Rs. 10,250 out of the total Imperial grant of Rs. 21,000 for technical and industrial education.]

Letter from the Director of Public Instruction, No. 3266, dated 13th June 1913.

The Imperial grant of Rs. 21,000 mentioned by the Director of Public Instruction is made up of the following two items:—

	RS.
Recurring grant for technical and industrial education— <i>vide</i> G.O. No. 204, Educational, dated 2nd March 1912	12,000
Recurring grant for technical and special education— <i>vide</i> G.O. No. 264, Educational, dated 27th March 1912	9,000
Total	21,000

2. In 1912-13 only, Rs. 12,000 were available; and for the distribution of this amount please see G.Os. No. 941, Educational, dated 28th October 1912, and No. 178, Educational, dated 26th February 1913. For the current year, Rs. 21,000 are available for distribution, and for the present the Director of Public Instruction submits proposals for the distribution among aided institutions of only Rs. 10,250 out of this amount.

3. Comparing the schools for which grants are now proposed with those for which they were given last year, it is observed that no grant is proposed for the All Saints Boys' Industrial School, Puttur, Trichinopoly, which in 1912-13 was given Rs. 500; and that none of three * schools noted in the margin were given any grants last year. Further, none of these three schools were shown in the list of institutions given in the subsidiary tables appended to the Public Instruction Report for 1911-12. They are apparently new institutions. The Director's proposals are in accordance with the instructions † of the Government of India contained in paragraph 4 (d) of their letter printed with G.O. No. 204, Educational, dated 2nd March 1912; and it is presumed that he has satisfied himself that the amounts proposed for the institutions are necessary. The only items which involve appreciable grants are—

	RS.	
Item (3) Chengalvaraya Naicker's Technical Institute, Madras	2,250	For milling machines and cutters.
Item (12) Agricultural School, Kavali	3,000	Engine and pump for irrigation.
Item (14) Petty grants for various schools	2,051	Minor appliances, such as pillow lace, etc.

4. The proposals in paragraphs 3 and 4 of the Director's letter as also his action in permitting the purchase of tools for the A.B.M. School, Kāvali, in anticipation of Government sanction for the grant of Rs. 400, may be approved.

Approved. W. FRANCIS—30-6-13.	5. A draft order is submitted which may issue with the concurrence of Financial. B. GOPALACHARI—27-6-13. C. RAMANUJACHARI—28-6-13.
