GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Sir ALFRED BOURNE, D.Sc., F.R.S., K.C.I.R., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 11th June 1913.

No.—Cur. 5771.

With reference to paragraph 7 of my memorandum printed in G.O. No. 264, Educational, dated 27th March 1913, regarding the supply of books and slates to poor and backward class of pupils, I have the honour to state that, after reflection, I am inclined to try the experiment upon a somewhat smaller scale than therein proposed.

2. With regard to board and municipal elementary schools, I beg to recommend that a sum of Rs. 69,700 may be distributed as subsidies to district boards and municipalities, for the purpose, as per annexed statements. The amount required for Government schools will be reported later on.

3. I beg to suggest that the following instructions may be issued to district boards and municipalities with regard to the utilization of the subsidy :—

(1) The subsidy is intended for the purchase of books, slates and writing materials for the use of poor and backward boys or girls in board and municipal elementary schools.

(2) The articles purchased out of this subsidy should remain the property of the school and should be so marked.

(3) The headmaster of the school should be required to keep a separate list of all these articles, with the date of supply.

(4) The articles should be used by pupils during school hours only and should not be removed from the school.
