GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E.,
Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 24th June 1913.
No.—Ref. on Cur. 3159/13.

In the budget estimate for the current year, under 2-G. Education—Grants-in-Aid—Non-European schools, two sums, viz., Rs. 33,200 and Rs. 21,600, have been provided for payment of stipendiary grants in training schools for masters and mistresses, respectively. Against the above amounts, Inspectors and Inspectresses to whom the power of sanctioning stipendiary grants has been delegated apply for allotments of Rs. 48,117 and Rs. 28,876. It will thus be observed that the budgeted amount falls short of the Inspecting officers' estimates by Rs. 22,193 (Rs. 14,917 in the case of training schools for masters and Rs. 7,276 in the case of training schools for mistresses). The extra amounts referred to are required on account of additional stipendiaries taken in, in view of the present special need for trained teachers. It may be pointed out in this connection that some additional money sanctioned this year may run on for next year owing to the two years' course and some sanctioned next year may run on for the following year also. It may, however, be necessary next year to limit the number of stipendiaries according to the funds available. In view of the fact that Government in their order No. 264, Educational, dated 27th March 1913, have approved of the utilization of a portion of the non-recurring allotment on special efforts in regard to training, I have the honour to request you will be so good as to obtain the sanction of Government to expend in payment of stipendiary grants an extra sum of Rs. 22,200 out of the special additional grant of Rs. 23,00,000 sanctioned by the Government of India and provided in the current year's budget.

Order—No. 658, Educational, dated 15th July 1913.

The Government sanction, out of the Imperial grant of 23 lakhs for education provided in the budget, an additional allotment of Rs. 22,200 for payment of grants to managers of recognized training institutions on account of stipends to students under training.

2. A sum sufficient to meet this excess expenditure in 1914–15 should be reserved out of the non-recurring portion of the Imperial grant of 23 lakhs.

NOTES CONNECTED WITH G.O. No. 658, EDUCATIONAL, DATED
15TH JULY 1913.

[SUBJECT.—Application for an additional allotment of Rs. 22,000 out of the special Imperial grant of 23 lakhs, for payment of stipendiary grants in training schools.]

From the Director of Public Instruction, dated 24th June 1913, No. 3159.

Under articles 47 * and 48 of the Grant-in-aid Code, grants may be given to As revised by G.O. No. 378, Educational, managers of recognized training institutions according to the prescribed scale on 2nd May 1912. account of stipends to students under

training for one or two years as the case may be. The provision for this purpose in Page 155 of the Civil Budget Estimate. the Civil Budget Estimate having been found insufficient, the Director of Public

Instruction applies for an additional sum of Rs. 22,200 out of the special imperial grant of 23 lakhs for education. The budget repeated only the figures in the revised estimate, which provided only for the increase due to the enhancement of the rate sanctioned in G.O. No. 378, dated 2nd May 1912—page 597 of the budget notes—and not for any addition on account of increase in the number of stipendiaries.

2. The Director has not stated how much of the additional amount (Rs. 22,200) will have to be repeated next year, but he recognizes that it may be necessary next year to limit the number of stipendiaries according to funds available.

3. He points out that Government in their order No. 264, Educational, dated 27th March 1913, have approved of the utilization of a portion of the non-recurring allotment (out of the 23 lakhs grant) on special efforts in regard to training. Reference is probably to paragraph 8 of the Director of Public Instruction's memorandum approved generally in the above Government Order. In this paragraph it is stated that some purely temporary training schools operating for two or three years might be organized for which purpose one lakh may be earmarked. There will presumably be no objection to utilizing a portion of this one lakh for payment of stipends to students under training in aided training institutions.

4. A draft order is submitted which, if approved, may issue with the concurrence of Financial.

2. Owing to the two years' course prescribed for some teachers, a portion of the expenditure now sanctioned will run on to next year and similarly a portion of the

expenditure on account of students who may be taken next year will run on to the third year. The expenditure involved in the next two years has not been stated by the Director of Public Instruction but he proposes to limit the number of stipendiary students according to funds available.
