From the President, District Board, Kurnool, No. 50/Govt.,

dated 20th May 1913.

ORDER.

The President will be informed that as the grant of Rs.400 sanctioned in G.O. No.45 Bd., dated 16th January 1913 for expenditure on the improvement of elementary schools' gardens was not likely to be utilized in 1912-13, it was taken credit for in the revised estimate for that year and the corresponding allotment on the expenditure side was made in the budget estimate for 1913-14. The President is in error in considering that it is a recurring grant and that the amount should be entered on the receipts and expenditure sides of the revised estimate for 1912-13 and the budget estimate for 1913-14.

2. The contribution of Rs.130 payable to Government by the District Board on account of the cost of buildings and apparatus

apparatus of the vaccine section of the King Institute, under para.1 of G.O. No.1939 L., dated 23rd December 1912 will be recovered in 1913-14 as stated in that order, and it was therefore correctly provided in the budget estimate of that year.

3. Orders will issue in the Educational Department as regards the President's request in para.4 of his letter that the District Board may be permitted to utilize for other purposes the excess credit of Rs.4,300 under the Provincial grants for education in 1912-13.

Copy of the letter from the President, District Board,
Kurnool, R.C. No.50/Govt. of 13 dated 20th May 1913.

Adverting to Government order No.422-L., dated 12th March 1913, confirming with remarks the alterations proposed in the Revised Estimate for 1912-13 and the Budget Estimate for 1913-14 of this District Board, I have the honour to state that in my letter No.R.Dis27 of 13 dated 22nd February 1913, embodied in the above Government order, I had explained that the net contribution for Education in the Revised Budget Estimate for 1912-13 ought to be Rs.49,560 and the Government have accordingly approved and sanctioned it in para 1 of the Government order under reference. But the amount that has actually been paid to this District Board during 1912-13 is Rs.53,860 as per details furnished below:-

E	(1) Maintenance of old schools G.O. No.208	Rs.
	Educational dated 7th March 1913.	24,200
R	(2) ---Do---New schools opened in 1911-12	
	and 1912-13 G.O.No.660 Educational	
C	dated 20th July 1912.	24,000
	(3)Do.....do.....G.O.No.58 Educational	
Z	dated 22nd January 1913.	2,700
	(4) Extra allowance to qualified teachers	
J	G.O. No.1105 Educational dated 11-12-12.	2,560
	(5) Elementary school Gardens G.O. No.45	
	Educational dated 16th January 1913.	400
	Total.	53,860

Thus it will be seen that a sum of Rs.4,300 (53,860 - 49,560) has been paid in excess over the sanctioned amount in the Revised Estimate for 1912-13.

The usual contribution sanctioned for old schools is Rs.19,900 (Please vide Government order No.391 Mis., dated 26th June 1911) but in Government order No.208 Edl., dated 7th March 1913, a sum of Rs.24,200 (Rs.23,000 usual contribution and Rs.1,200 additional subsidy for equipment) has been sanctioned

2. 4 5
sanctioned and paid during 1912-13. The difference viz
Rs.4,300 accounts for the excess credit referred to above.

X
In this connection, I submit that the sum of Rs.55,840
shown under receipts Education-contributions, in the appendix
appended to the Government order under reference, includes
Rs.19,900 only for old schools and Rs.35,940 for schools opened
in 1911-12 and 1912-13.

J
G
2. The sum of Rs.66,840 shown under charges in the appen-
dix, against Education - Elementary schools in the Revised
Estimate for 1912-13 excludes Rs.400 sanctioned for Elementary
school Gardens in Government order No.45 Educational dated 16th
January 1913 and also the sum of Rs.2,520 shown against Medical
- Contributions excludes Rs.130 sanctioned in Government Order
No.1939 L., dated 23rd December '12 on account of buildings and
apparatus of the vaccine section of the King Institute. But
these two amounts have been included in the sums of Rs.77,600
and Rs.2,910 shown against the respective heads in the Budget
Estimate for 1913-14 instead of in the Revised estimate for
1912-13. Necessary corrections consequent upon these altera-
tions have been made in the appendix in this office.

D
3. In para 1 (4) of Government Order No.202 L., dated 6th
February 1913, Government were pleased to sanction a contribu-
tion of Rs.400 for Elementary school gardens for the year
1913-14 also. This amount has not however been included in
the amounts shown under Education in the Budget estimate for
1913-14 both under receipts and charges.

4. I have the honour to request that Government will be
pleased to sanction the excess credit of Rs.4,300 referred
to above for being utilized for repairing the old Board school
buildings or for any other useful purpose during the current
year, and to order the necessary corrections pointed out in
para 2 of this reference to be carried out in the appendix
appended to Government order No.422 L., dated 12th March 1912

and also to permit me to make a provision of Rs.400 for Elementary school gardens referred to in para 3 supra both under receipts and charges when preparing the Revised Budget Estimate for 1913-14.

Subject.

Requesting sanction to utilize for other purposes. The excess credit of Rs. 4,300 under Education - contributions to make certain alterations Budget estimate for the District Board for 1913-14.

From the President's letter it appears that while the contribution from Provincial funds towards education, as explained by him in his letter No. 27 dated 22nd February 1913 and entered by Government in the revised estimate for 1912-13 should have been Rs. 49,560, the amounts actually paid to the Board during the year were Rs. 53,860 in all and he requests the sanction of Government to utilize the excess of Rs. 4,300 in the current year (1913-14) for the repair of old school buildings or for any other useful purpose. Submitted that this request is one for consideration in the Educational Department.

2. The grant of Rs. 400 sanctioned to the Kurnool District Board in G.O. No. 45 Edl., dated 15th January 1913, for expenditure on the improvement of elementary school gardens was taken credit for in the revised estimate of the District Board for 1912-13, but on the expenditure side, the corresponding allotment was made in the budget estimate of 1913-14, merely because it was impossible to utilize the amount in 1912-13. The same course was adopted in the case of the budgets of all other District Boards to which grants for elementary school gardens were sanctioned in the G.O. quoted above. The President thinks that

that the grant is a recurring one and that the Govern-
ment have erroneously omitted (1) to allot Rs. 400 on

Repairing school houses seems
a very suitable way of utilizing
any excess.

I have had to keep the file so as to obtain from Madras an explanation of how there comes to be any excess -

Our calculation seems to have been correctly based upon the information we had. In the extract from the Budget for 1912-13 supplied by the President in December 1911 he entered Rs 20500 as Provincial contribution from this he deducted Rs 2500 ^{originally} sanctioned in Gov. No. 708 Etl. of 8.10.11 and repeated for the following year, leaving a balance of Rs 23000 ^E which was proposed (See Gov. 208 Etl. of 7.3.13)
