SUBJECT

Diversion by the Taluk Board of Namakkal of the subsidy sanctioned in G.O. No 660 Bd, dated 20th July 1912 for purposes other than those approved by Govt.

- (F) Please see G.O. No 660 Bd, dated 20th July 1912. Para 1 of the order details the objects for which subsidies for local boards were sanctioned by Govt. The Namakkal Taluk Board has spent a sum of Rs 550 in repairing the buildings of the primary section of the high school maintained by that ~~board~~ board. This is not one of the objects for which Govt sanctioned subsidies. Repairs to the building of an existing school should properly be executed at the cost of the local body concerned as an ordinary charge. The D.P.O. points out that the action of the Namakkal taluk board seems to contravene the provisions of ~~the~~ G.O. No 660 Bd of 20th July 1912. In para 3 of this G.O. it is stated that the balance of the subsidies remaining unspent should be reallocated for expenditure during 1913-14. It is for consideration whether the Namakkal taluk board should not be asked to ~~provide~~ ^{reallocate} the

the sum of Rs 550 ^{from its own resources} for expenditure in the next year on objects approved by Govt. The Local & Municipal Deptt may be consulted.
