From the Correspondent, A.B.M. High School, Nellore, dated
11th July 1913 to the Director of Public Instruction, Madras.

With reference to Proceedings of the Director, Ref on Cur No.
4165 of 1913, dated 5th July 1913, I have the honour to state that
the Mission has been given Rs. 9,000/- on condition that the front
should be as per plans. The open tile work and the fancy work on
the parapets are according to the wish of the donor. The tiles
will be placed at an angle, so it will not be possible to look into
the rooms.

Although a plain iron gate is shown, it is proposed to use an
ornamental one. If the plan be drawn to the scale now required it
will be about 20' X 15'. There seems to be some mistake in the
scale noted.

The plans and sections have again been checked by the Execu-
tive Engineer, Nellore, and no disagreement has been discovered.

Submitted to Government with reference to Memorandum No.
1015-2 Ed1., dated 20th June 1913. The grant was recommended
although the building was more ornamental than was absolutely
necessary, because the donor insisted upon this. The grant
recommended is really a little more than a half grant as has
been the case with other applications for grant for a hostel.
