GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E.,
Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department (through the
Accountant-General).
Dated—the 26th June 1913.
No.—Ref. on Cur. 5727/13.

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment, with effect from the 15th July 1913, of two laboratory peons, one on Rs. 8 and the other on Rs. 7, in the Government College, Rajahmundry.

The present menial establishment of the college consists of two attenders, one on Rs. 12 and the other on Rs. 10, and one gas maistry on Rs. 10, who are attached to the laboratory, besides one library attender on Rs. 10, a muchi on Rs. 7½ and two peons on Rs. 7 and 6. The Principal reports that the science buildings have become considerably extended, that costly fittings have to be permanently fixed in the several halls to facilitate work and that as the preparations for the practical classes and the looking after the several pieces of apparatus are far too heavy for the two attenders—one of whom is in charge of the Physics and the other in charge of the Chemistry laboratory—the punka boy and the sweeper are now made to help the attenders in their work, an arrangement which is not at all satisfactory. He therefore considers the immediate employment of two peons to be absolutely necessary to facilitate work.

I consider the additions proposed to be necessary bearing in mind the fact that in the Presidency College it has been found necessary to greatly augment the menial establishment owing to the extension of the laboratories and of science teaching—vide G.O. No. 130, Educational, dated 14th February 1912.

2. I submit herewith the necessary re-appropriation statement for favour of sanction.

*Endorsement of the Accountant-General, No. Godi. 2-6227, dated
4th July 1913.*

Forwarded.

2. There is no audit objection to the proposal being sanctioned by Government.
3. The present scale of the menial establishment as stated in the Director's letter is correct.

4. The proposed re-appropriation requires the sanction of Government in the Financial Department.

K. L. DATTA,
Accountant-General.

To the Secretary to Government, Educational Department.

Order—No. 683, Educational, dated 25th July 1913.

The Government sanction the employment of two laboratory peons on Rs. 7 and Rs. 6 for the Government College, Rajahmundry.

2. This sanction will be registered as No. 118 of 1913-14.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 683, EDUCATIONAL, DATED
25TH JULY 1913.

[SUBJECT.—Employment of two laboratory peons on Rs. 8 and Rs. 7 in the Government College, Rajahmundry.]

From the Director of Public Instruction, dated 26th June 1913, No. 5727.

The sanction of Government is solicited for the employment of two laboratory peons on Rs. 8 and Rs. 7 in the Government College, Rajahmundry, as the work is considered too much for the two laboratory attenders already employed.

2. The present menial establishments of the Rajahmundry and the Kumbakonam Colleges are compared below :—

Rajahmundry.			Kumbakonam.*

1 attender (laboratory)	..	12	1 laboratory attender	..	15

* G.O. No. 715, Educational, dated 11th October 1911.

With the proposed two peons for the laboratory in the Rajahmundry College there will be in all five men (including the gas-maistry) for the science department against three in Kumbakonam (including the attender in charge of mathematical instruments).

+ 163 in Kumbakonam and 171 in Rajahmundry on 31st March 1912.

Though the strength of the two colleges is almost the same,† more men will, it is submitted, be required in the Rajahmundry College than in the Kumbakonam College, as the former college is affiliated in Branch II-A (Physical Science) of the B.A. degree, while the latter college is not so affiliated. Both the colleges are affiliated in science group for Intermediate group. In the Presidency College, Madras, there is a large‡ staff of menial establishment, but there is no comparison between that college and the Rajahmundry College.

† G.O. No. 130, Educational, dated 14th February 1912.

3. In these circumstances it is for consideration whether the two laboratory peons asked for for the Rajahmundry College may be sanctioned. Their pay may perhaps be fixed at Rs. 7 and 6 as in the case of the existing two peons, instead of at Rs. 8 and 7. A draft order is submitted, which, if approved, may be sent to Financial for acceptance.
