Station M A D R A S Dated the 7th December 1912.

From (Name) The Hon. Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E.,

(Designation) Director of Public Instruction, Madras.

To the Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to submit letter No. 652, without date, from the Director of ^{the} Indian Institute of Science, Bangalore, forwarding application of T. K. Ramaswami Aiyangar, a scholarship holder now undergoing a post-graduate course of training at the institute for an increase in the value of his scholarship from Rs. 30/- to Rs. 50/- per mensem.

2. In G. O. No. 44⁴¹⁴ Mis. Educational, dated 13th May 1912, Government were pleased to sanction a scholarship of Rs. 30/- per mensem. and The amount recommended by me was Rs. 50/-.

I have the honour to be,
Sir,
Your most obedient servant,

R. A. Arieve

For Director of Public Instruction

To
The Director of Public Instruction,

Madras.

Through

Alfred Hay, Esq., D.Sc., M.I.E.E.,

Professor of Electrical Technology,

Indian Institute of Science,

Bangalore.

Sir,

I am a student of the Indian Institute of Science, working in the Department of Electrical Technology, under Dr. Alfred Hay. I have been working here since the commencement of this Session, July 1912.

I am deeply thankful to the Government for granting me a scholarship of Rs.30/- per mensem (Vide G.O.No.414 Mis: Educational, 13th May 1912) to enable me to undergo a post-graduate course of training at the Institute.

The mode of living in the Institute, Students' Quarters is very costly, the bare messing and establishment charges alone coming up to nearly Rs.30/- per mensem. Besides this I shall have to be buying, from time to time, as necessity arises, books, mathematical and drawing instruments and these constitute a costly item in every month's expenditure. Moreover other incidental expenses, Gymkhana fees, dress, stationery, etc., also demand a pretty big sum.

Under these circumstances, I beg the Government to kindly increase the scholarship to Rs.50/- per month, so as to enable me to make both ends meet; and I, also request the Government to give a

P.T.O.

retrospective effect to their order, so as to place me out of pecuniary difficulties.

For information, I append herewith the bill amounts charged in different months for boarding and lodging alone in the Students' Quarters.

I beg to remain,

Sir,

Your most obedient servant,

J. K. Ramasami aiyengar.

Student,

Indian Institute of Science, Hebbal,
Bangalore.

The Director of Public Instruction,

Madras.

Sir,

I have been asked to forward to you the enclosed application of T. K. Ramasami Ayengar for an increase in the amount of his scholarship. I have much pleasure in stating that the applicant is the best student of his year, and that he is fully deserving of any encouragement which Government might be disposed to give him by increasing his scholarship allowance.

I have the honour to be,

Sir,

C. No. 3329. From the D.P.I.

Re. No 93 H/12 dated 7.12.1912.

SUBJECT

Increase of scholarship to J. K. Ramaswami aiyangar, candidate undergoing postgraduate course of training at the Indian Institute of Science, Bangalore

- (F) Please see G.O. M-414 Bd, dated 13th May 1912 and the notes with it. In this G.O. J. K. Ramaswami aiyangar was awarded a scholarship of Rs 30 per mensem to enable him to undergo a post graduate course of training in electrical & mechanical engineering at the Indian Institute of Science, Bangalore. Though the D.P.I. recommended ^{at the time} the award of a scholarship of Rs 50 per mensem the Govt fixed it at Rs 30 mainly in consideration of the fact that the candidate would ^{not} have to pay ^{any} fees at the institute ~~and that~~.
2. J. K. Ramaswami aiyangar ~~now~~ represents that the scholarship now sanctioned meets only his hostel charges and that he has other charges to meet viz., purchase of books & instruments, stationery, gymkhana fees, dress etc. He therefore requests that his scholarship may be raised from Rs 30 to Rs 50. The prof^r of electrical eng^g testifies as to his work in the institute. In ~~view~~ view of the fact

Page 6 of notes with
G.O. 414 Bd of 12.5.12 (F)

Para 3, page 2 of c.f.

Page 5 of c.f.

Page 4 of 6. (bill copy)

that the hostel charges come ^{about} to Rs. 30 per mensem it is for consideration whether the scholarship may be raised by a few more rupees though not to Rs 50 as requested by the candidate.

(F)

21.12.12 Please see the Ag. Secretary's note, D 23.4.12 on page 4 of 5. 4.14.22, D 13.5.12. The need for a higher rate of scholarship was already anticipated. The grounds now put forward for the enhanced rate are mainly the same. The cost of books, mathematical and drawing ~~instruments~~ is stated to constitute a ~~an~~ heavy item in every month's expenditure. It would have been advantageous if information had been furnished as to what had been the actual outlay on these objects during the past few months, as has been done in the case of boarding charges. It is for consideration whether a reference may now be made on this point.

para. 3. page 2 of 6.

The forwarding notes of the Professor and the Director of the Institute do not help much in the disposal of the present application. They speak only of the personal qualifications of the student, and not of the point at issue.

CR
28/12/12

There is, I think, a prima facie case for some enhancement if the scholarship is intended to cover all the student's expenses & not merely to supplement his private resources. Perhaps Financial will kindly indicate exactly what further particulars by Rd. like in order effecting to scrutinize the amount of enhancement equitably claimable. We can then call for that information from D. Barvers.

Financial dept.

F

Attention is solicited to the Financial department notes in No. 414 dtd 13.5.12 and to the late ~~Director~~ Governor's (Sir M. Hamrick's) note in that No. where it was stated that a scholarship of Rs 30 p.m. should suffice for the Madras student (T.K. Ramaswami Aiyangar) undergoing a postgraduate course of training in Electrical and Mechanical Engineering at the Indian Institute of Science, Bangalore, since he had to pay no fees while at the institute.

Page 2-4 C.F.

ibid.

Note on page 3 ante.

2. The student has now made a representation that his scholarship may be increased from Rs 30 to Rs 50 ^{He states that} ~~per mensem~~ ^{per mensem}; ~~he~~ he has to incur expenditure on several items e.g. Hostel dues which amount nearly to Rs 30 per mensem, books, instruments, Gymkhana fees, dress, stationery &c.. The Educational department require this Dept. to indicate exactly what further particulars should be called for in order to scrutinize the amount of enhancement equitably claimable, and they state that they will call for such information as is necessary.

3. With reference to the remarks of the Educational department, it is submitted that the Ed. Dept have not indicated on what principles the amount of other existing scholarships in this Presidency has been fixed.

In respect of ^{Government of India} ~~the Government~~ scholarships tenable in England, the Govt of India have pointed out that only candidates possessing some private means should be selected for those scholarships. The Honble Member Sir George Forbes in his noted 21.11.06

C.R.

④ £200 a year for three years. Item (1) page 90 of University Calendar for 1911

Para 4 quoted 2.1.07 on page 2 quoted 5.2.16 21.3.07 B

also remarked that there was no use
inviting paupers because the Scholarship
(viz. State Technical Scholarship of Rs 150 a year)
in England would not be sufficient to
support a student and he should have
some private means. It appears
from these references that scholarships
are ~~not~~ ordinarily intended only
to supplement the private resources
of students and not to cover all the
items of expenditure they will have
to incur.

4. Orders are solicited as to
whether in the above circumstances
the Govt. Dept. may ~~not~~ be informed
that any further information will
not be really of much use, and
that Dept. may be requested to inform
the D.P.I. that Govt. consider that a
scholarship of Rs 30 per mensem should
suffice in the present case.

No such general
rule or principle can
be inferred.
HJL
16.1.13

keep an Indian student in fair comfort, but apparently the charges at the Institute are higher than ~~the~~ ^{under} ordinary conditions ~~College~~ & we will agree to an increase to Rs 40 per m if Educl are convinced it is neccy.

Sl 16 113

FD. Col. no.

Educational Department

~~It is admitted that Rs 30 will be in~~

The present amount of Rs 30 is shown to cover the bare messing and establishment charges. So ~~as~~ further funds are needed ~~for~~ to meet the other charges of the student. No definite data are available to ~~for~~ determine that amount. The ~~candidate~~ ^{candidate} student applies for Rs 20 + the D.P.I supports it. An enhancement of Rs 10 may not be too liberal and may still leave the student to supplement his scholarship from his own resources. It is therefore for consideration whether the

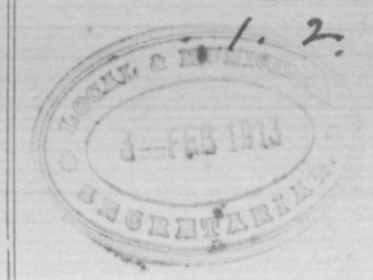

Final no 37-17.16-1-13

amount of Rs 40 suggested by Finance
may be accepted.

CR 18/1/13 Yes: I think so. The students
stipends have been paid unchanged
by Professor Hay & D. Inver, while the
D.P. originally recommended the Rs. 50
scale. All three evidently think an
increase reasonable. Rs 40 seems to me
enough in the absence of detailed justi-
fication for more. I think it was also
necessary.
LD 20.1.13

A draft order is submitted for
approval. It is presumed that the
enhanced rate of scholarship is
to have retrospective effect as
requested by the candidate. If approved,
the draft may be ^{circulated to H.E. the} ~~sent to the Governor~~
~~for approval~~ ~~for approval~~ ~~for approval~~.
