GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E.,
Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 18th September 1913.

No.—R.C. 7334.

Under article 102 of the Code of Regulations for European Schools, a final scholarship of Rs. 40 per mensem, tenable with effect from July 1912, was sanctioned on behalf of Aloysius Fernandez who is studying for the M.A. degree examination in zoology in the Presidency College, Madras. The Principal of the college recommends that the scholarship may be renewed for another year and made tenable at the University College, London, where, it is reported, the student intends to proceed this autumn to study for the B.A. degree (Honours). It is represented that the scholarship, although small, will greatly assist him in continuing his education in England. It is not clear from article 109 of the Code of Regulations for European Schools whether the scholarships can be made tenable out of India. I see, however, no reason why they should not be, and I have, therefore, the honour to request that sanction may be accorded for making the scholarships tenable out of India when necessary.

Order—No. 1010, Educational, dated 7th November 1913.

The Director of Public Instruction will be informed that the scholarships awarded under the Code of Regulations for European Schools are tenable only in India and cannot be made available outside it.

2. In view, however, of the recommendation made by the Director on behalf of Mr. Aloysius Fernandez, a special application will be made to the Government of India for the grant of a scholarship of the value, and for the period, referred to in the Director's letter.

No. 1010-A.

From

THE HON'BLE MR. W. FRANCIS, I.C.S.,

Acting Secretary to the Government of Madras,

Educational Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

DEPARTMENT OF EDUCATION.

Dated Fort St. George, the 7th November 1913.

SIR,

I am directed to address the Government of India on the subject of granting a scholarship to Mr. Aloysius Fernandez who intends to proceed to England to read for the B.A. degree (Honours) at University College, London.

2. Mr. Fernandez is now reading for the M.A. degree in zoology in the Presidency College, Madras, and has been holding a final scholarship of Rs. 40 per mensem tenable for European students under article 102 of the Code of Regulations for European Schools. Both the Principal of the college and the Director of Public Instruction recommend the continuance of this scholarship for another year so as to enable Mr. Fernandez to continue his studies in England as, though small, it will assist him in that undertaking. His Excellency the Governor in Council supports this recommendation. As scholarships awarded under the Code are tenable only in India, I am to solicit sanction of the Government of India to the grant to Mr. Fernandez of a scholarship of Rs. 480 or £32 per annum for one year tenable in England.

I have the honour to be,

Sir,

Your most obedient servant,

W. FRANCIS,
Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 1010, EDUCATIONAL,
DATED 7TH NOVEMBER 1913.

[SUBJECT.—*Tenability in England of scholarships granted under the Code
Regulations for European Schools.*]

*From the Director of Public Instruction, R.O. No. 7334 of 1913,
dated 18th September 1913.*

The general question raised in the current is whether the scholarships awarded under the Code of Regulations for European Schools are tenable out of India. Article 109 of the Code provides for the transfer of the scholarships from one school to another in the same province and from one province to another. *Prima facie* these scholarships are tenable only in India, *i.e.*, being the territory in which the code

* The maximum amount available is only Rs. 40 per mensem.

applies: and it is also otherwise* clear that it was never intended to render them tenable outside India. The facts, that the committee appointed by the Government of India to revise the Code of Regulations for European schools in Bengal with a view to preparing a uniform code for India and Burma while recommend-

ing the institution of scholarships, specially suggested the founding of separate scholarships tenable in England and that the Government of India sanctioned such a scholarship (G.O. No. 200, Educational, dated 5th April 1907) lend support to the same view.

2. Further, it has been held that the sanction of the Government of India is needed for granting scholarships to students outside India—please see the Chief Secretary's note on page 3 of notes to G.O. Nos. 689-90, Educational, dated 26th July 1913.

Cf. also G.O. Nos. 812, Educational, dated 4th September 1912 and 856, Educational, dated 16th September 1913.

Cf. page 3 of G.O. No. 415, Educational, dated 9th June 1908.

notes with letter No. 690, Educational, dated 26th July 1913. In accordance with this, sanction was recently obtained for the grant of a scholarship tenable in England to one Miss Gordon. Deserving cases may be met by special applica-

tions to India. It does not seem necessary to apply to the Government of India to make any general rule declaring the scholarships under the code available outside India also. It is therefore for consideration whether the Director of Public Instruction may be informed accordingly.

P.R.—4-10-13.

C. RAMANUJACHARI—4-10-13.

Submitted that this may be done. The case seems clear.

W. FRANCIS—7-10-13.

Yes. But can anything be done to meet the Director of Public Instruction's recommendation in this individual case?

P[ENTLAND]—9-10-13.

The Director of Public Instruction's recommendation may be met by making a special application to Government of India—please see passage underlined on previous page. This may be done.

W. FRANCIS—11-10-13.

Yes. Please.

P[ENTLAND]—13-10-13.

Draft.

W. FRANCIS—13-10-13.

A draft order is submitted for approval. An application to the Government of India on behalf of the particular candidate, is also submitted. If approved, it may be sent to Financial for acceptance.

P.R.—21-10-13.

C. RAMANUJACHARI—22-10-13.

Financial for acceptance. The amount is not charged, but will be paid in England instead of in this country. An extension for one year is asked costing Rs. 480. The amount will presumably be debited to the accounts of this Presidency and so eventually be met from the allotment for scholarships in European schools under 22 H. Education—Scholarships.

The draft order and letter may, it is submitted, be accepted in Financial.
