SUBJECT

Submitting resolution No.2.
passed at the last Conference of the South India Teachers' Union.

From

A. Panchapagesa Aiyar, M.A. L.T.,

General Secretary, South India Teachers' Union,

P.S.High School,

MYLAPORE.

To

The Chief Secretary,

To the Government of Madras,

MADRAS.

Sir,

I have the honour to submit the following resolutions that were passed at the last Annual Conference of the South India Teachers' Union held in May 1913 for such action as the Government may deem it fit to take on them. The Conference was a largely attended one consisting of heads of Schools and Colleges and of Teachers and Professors of all grades from the various parts of the Madras Presidency. It was held in the S.P.G. College, Trichinopoly, under the Presidency of Mr. A.F. Gardiner M.A., Principal of the College and President of the Union for 1912-13.

Resolution No. 8. This Conference views with alarm the grave injury that has been inflicted upon the study of Languages other than English by including them in the C.Group of the Secondary School Leaving Certificate Scheme and prays Government to make the study of these Languages compulsory for the Secondary School Leaving Certificate course except in the case of those pupils whose vernacular is not an Indian Language.

CARRIED UNANIMOUSLY.

Resolution No.13. This Conference regrets that the higher ranks of the educational service are not open to Indians to the extent desirable, and prays Government to be pleased to admit into the ranks a greater proportion of Indians than they do at present.

CARRIED UNANIMOUSLY.

Resolution No. 14. This Conference resolves to convey its thanks to the Government of His Excellency Lord Pentland for the liberal grants now being distributed in aid of private schools and Colleges and prays that the Grant-in-aid Code may be so modified as to give effect to the Resolution passed last year by the Legislative Council in regard to the Government grant.

CARRIED UNANIMOUSLY.

Resolution No. 16. This Conference prays that some provision be made for pensions to teachers who may be above 35 years of age at the time of the starting of the proposed Provident Fund on the Completion by them of 25 years of unblemished service from the date of their employment as certificated teachers of recognised schools and aided colleges affiliated to the University of Madras.

CARRIED UNANIMOUSLY.

Resolution No. 17. This Conference is of opinion that additional model schools are unnecessary and prays Government to devote the funds proposed to be set apart for the starting and maintenance of the proposed Model schools for improving the efficiency of the existing institutions, whether under private agencies or Municipalities and Local Boards.

CARRIED WITH 11 DISSENTIENTS.

Resolution No. 18. As it has been found from statistics that the Madras Government has not incurred expenses on education on the same scale as the other provinces, this Conference prays the Madras Government not to fall below other provinces in their educational allotments and begs the Government of India to make larger provincial allotments for Madras than they have done hitherto.

CARRIED UNANIMOUSLY.

Resolution No. 19. This Conference is of opinion that Local Board and Municipal Schools should be admitted to the benefits of the grant-in-Aid Code.

C.No. 3171 from the General Secretary, South India Teachers' Union, dated
20th October 1913.

Subject.

Resolutions passed at the last annual Conference of the South India Teachers' Union.

Resolution 8:- Position of the vernacular languages in the Secondary School Leaving Certificate Scheme. This question is under separate consideration and the Government are awaiting the decision of the Senate on the question of the position of oriental languages in the University courses. Please compare G.O. No. 622 Educational, dated 12th July 1912.

W
Resolution 13:- Employment of larger number of Indians in the higher ranks of the Educational service. This calls for no specific remarks.

P
R
Resolution 14.- Giving effect to the resolution passed at the Legislative Council last year regarding the modification of the Grant-in-aid Code. The Government have decided not to give effect to this resolution-please see page 5 of the notes with G.O. No. 433 Educational dated 21st May 1912 and G.O. No. 640 Educational, dated 17th July 1912, in the latter of which it was pointed out that as a compensatory measure increased grants in aid were under consideration. The accomplishment of this is admitted in the resolution itself.

Resolution 16.

Resolution 16. - Pension to teachers in aid schools. The question appears to be impracticable. The question of provident fund is under consideration, the Director having been asked to formulate a revised scheme.

Resolution 17. Model High School Scheme. This scheme has been abandoned in its original form and it has been decided to introduce a smaller ~~xx~~ scheme connected with secondary training schools. The Director is drawing up details.

Resolution 18. Increased expenditure on education. This calls for no specific remarks.

Resolution 19. Admission of local board and municipal schools to the benefits of the Grant-in-aid Code. A resolution on this subject is to be moved by the Hon'ble Mr. V.S. Srinivasa Sastriar at the meeting of the Legislative Council on the 11th instant. Please see Resolution No. 14 at flag Y.

It will thus be seen that no immediate and specific action is either possible or called for in respect of any of the resolutions of the Conference. The receipt of the resolutions may be merely acknowledged and they may then be recorded, copy being sent to the Director of Public Instruction for information. For a precedent please see G.O. No. 315 Educational dated 17th April 1913.
