ABSTRACT.—Approving the proposal of the Director of Public Instruction to rent a building at Rs. 175 per mensem for two years for the purpose of holding classes in domestic economy, physical and manual training for European schools and sanctioning the employment as a temporary measure of a kitchen boy on Rs. 10 and a peon on Rs. 8 per mensem.

II

Letter—from the Hon'ble Sir ALFRED GIBBS BOURNE, D.Sc., F.R.S., K.C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 17th October 1913.

No.—E.C. 2566-12.

In their order No. 668, Educational, dated 19th July 1913, Government have sanctioned the entertainment of a kitchen boy, on Rs. 10 per mensem for the domestic economy class and a peon on Rs. 8 per mensem for both the domestic economy and physical training classes for European schools. Mrs. Deighton who was engaged to conduct, as an experimental measure, a domestic economy class on a small scale during the cold weather of 1911-12 and 1912-13 at the Doveton Girls' High school, Vepery, Madras, has been engaged for this year also. She joined duty on the 5th September and having completed the arrangements has been holding the class from 1st October 1913. She wants a salary of Rs. 300 per mensem. Considering that her services are required temporarily and only for a part of the year and that it is now proposed to hold the class on an extended scale, the salary claimed is, I think, reasonable. I have, therefore, the honour to request sanction for payment of her salary at the above rate with effect from the 5th September 1913 to 31st March 1914. I further request sanction to the entertainment of a chokra on a salary of Rs. 5 per mensem temporarily for six months as Mrs. Deighton says that one is necessary to assist the kitchen boy to chop wood, carry the things from the market, etc.

2. The charges will be met from the special allotment of Rs. 1,09,000 from Imperial funds available for European schools for this year.

3. Mrs. Deighton says that she finds great difficulty in getting rooms for rent for her quarters during her stay in Madras, and requests that she may be permitted to occupy on payment of Rs. 20 per mensem a part of the building rented for the use of the domestic economy, physical and manual training classes—*vide* G.O. No. 668, Educational, dated 19th July 1913. The Inspector of European and Training schools says that as the manual training instructor has not yet arrived there is at present sufficient room in the building, but that if permission is given to Mrs. Deighton, it should be provisional only. I beg, therefore, to recommend that she may be permitted to occupy a set of rooms upstairs at a rent of Rs. 20 per mensem on the strict understanding that the arrangement is to continue only until the arrival of the manual training instructor or until the rooms are required for other purposes. The physical training instructor occupies a part of the building downstairs.

4. The expenditure required for apparatus, appliances, etc., for the physical training and domestic economy classes and for the entertainment of certain menial establishment has been sanctioned by me, as it is within my powers of sanction.

5. The favour of very early orders is requested, particularly as Mrs. Deighton's pay is overdue.

No. P.A. 3-14244/Kis., dated 27th October 1913.

Forwarded.

2. The creation of a temporary appointment on Rs. 300 per mensem for the period from 5th September 1913 to 31st March 1914 to be filled by Mrs. Deighton is within the power of the Madras Government to sanction under rule V (1) (a) of the Government of India, Finance Department, resolution No. 249 E.A., dated the 15th July 1912, embodied in G.O. No. 479, Financial, dated 2nd August 1912, and there is no objection to the proposal to allow Mrs. Deighton to occupy a set of rooms on payment of a rent of Rs. 20 per mensem.

3. It has been ascertained, however, that Mrs. Deighton is a European, and the sanction of the Government of India (Home Department) will therefore be necessary to her temporary employment on Rs. 300 a month—*vide* article 773 (a) of the Civil Account Code, Volume II.

4. The expenditure can be met from the source as indicated.

K. L. DATTA,
Accountant-General.

To the Secretary to Government, Educational Department.

Order—No. 1049, Educational, dated 17th November 1913.

The Government sanction the employment of a lecturer on domestic economy for European schools on Rs. 300 per mensem and a chokra on Rs. 5 a month from the 5th September 1913 to the 31st March 1914, and, in view of the urgency of the case, approve the appointment of Mrs. K. Deighton to the post of lecturer subject to the confirmation of the Government of India. The Director of Public Instruction should have applied for the sanction of Government to Mrs. Deighton's appointment much earlier.

2. The Government also sanction as a provisional arrangement the proposal of the Director of Public Instruction to allow Mrs. Deighton to occupy a set of rooms in the buildings rented under G.O. No. 668, Educational, dated 19th July 1913. It should be reported why Mrs. Deighton should not be required to pay Rs. 30 per mensem (being one-tenth of her pay) in accordance with rule I (b) in paragraph 919 of the Public Works Department Code, Volume I.

3. The following letter will be despatched to the Government of India.

No. 1050.

From

THE HON'BLE MR. W. FRANCIS, I.C.S.,

Acting Secretary to the Government of Madras,

Educational Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

Dated Fort St. George, the 17th November 1913.

SIR,

I am to enclose a copy of the Proceedings of this Government of to-day's date sanctioning the appointment of Mrs. K. Deighton, a European, as a temporary lecturer on domestic economy for European girls in the City of Madras on a salary of Rupees 300 per mensem from the 5th September 1913 to the 31st March 1914, and to request that the Government of India will be pleased to confirm them under article 773 (a) of the Civil Account Code. Mrs. Deighton was for nine and a half years a domestic economy instructress and hygiene lecturer under the London County Council and has subsequently lectured on similar subjects in this Presidency. Classes on domestic economy and hygiene have recently been started in Madras for European and Eurasian teachers and girls, and it is desired to appoint Mrs. Deighton to conduct these.

I have the honour to be,

Sir,

Your most obedient servant,

W. FRANCIS,

Ag. Secretary to Government.

NOTES CONNECTED WITH G.O. Nos. 1049, 1050, EDUCATIONAL,
DATED 17TH NOVEMBER 1913.

[SUBJECT.—*Establishment required for the Domestic Economy class for European girls.*]

*From the Director of Public Instruction, dated 17th October 1913,
R.C. No. 2566/12.*

Please see G.O. No. 668, Educational, dated 19th July 1913, and the notes therewith, where the Government sanctioned the employment of a kitchen boy on Rs. 10 per mensem for the domestic economy class and a common peon on Rs. 8 per mensem both for the domestic economy and physical training classes.

2. The Director now seeks sanction to—

(1) the employment of Mrs. Deighton as a temporary lecturer on domestic economy on a salary of Rs. 300 per mensem from the 5th September 1913 to the 31st March 1914;

(2) the employment of a chokra on Rs. 5 per mensem; and

(3) the letting of a set of rooms in the building rented for the use of the domestic economy and physical and manual training classes, to Mrs. Deighton for Rs. 20 a month.

3. As regards the first proposal, attention is invited to G.O. No. 111, Educational, dated 9th February 1912, in which the Government approved the proposal of the Director to arrange for two series of lectures on cookery by Mrs. Deighton to the European women *teachers* in the European schools of Madras and Chingleput. The scheme was regarded as an experimental measure and was to have taken place in the early and later parts of 1912. Reference to these lectures was made in paragraph 131

Page 55 of the report. of the Public Instruction Report for 1911-12; and the remarks made in the

current correspondence show that the experiment has proved a success and is worthy of expansion and continuance. In the experimental stage the classes were spread over two months and they related to cookery alone. The present proposal is (i) to extend it over nearly seven months, (ii) apparently to cover a wider range of sub-

Page 4 of G.O. No. 111, Educational, dated 9th February 1912. jects and include hygiene also, and (iii) to take in school pupils also and not only teachers as before. The remuneration

paid to Mrs. Deighton for the cookery lectures alone was Rs. 150 a month. The rate of Rs. 300 now proposed will have presumably to be approved, as she is apparently the only lady available for the purpose, and the Director considers the amount claimed reasonable.

4. Under article 773 (a) of the Civil Account Code, Volume II, the previous sanction of the Government of India is necessary to the employment of Mrs. Deighton who is a European; but as in emergent cases the Local Government have power to relax the rule, Mrs. Deighton's employment may be approved and the fact reported to the Government of India for confirmation in view of the fact that Mrs. Deighton joined the appointment on the 5th September last and her pay is overdue.

5. The proposal to employ a chokra is virtually intended to take the place of the separate peon for the domestic economy class disallowed in G.O. No. 668, Educational, dated 19th July 1913; but in view of the reasons now given, namely, that his services are required for chopping wood and carrying things from the market, the proposal may be approved. There is also no objection to the proposal to permit Mrs. Deighton to occupy a set of rooms in the building rented for holding the classes on payment of a rent of Rs. 20 per mensem.

The proposals made by the Director of Public Instruction in the present case costing about Rs. 3,000 + are for utilizing a portion of this recurring grant of 1.09 lakhs.

4. *Permission to Mrs. Deighton to occupy a set of rooms in the building rented by Government.*—As Mrs. Deighton is to use the rooms as her residential quarters, it is submitted that it would appear justifiable to recover from her the rent due under the Public Works Department Code, viz., Rs. 30 per mensem (being 10 per cent. of the pay) instead of Rs. 20 per mensem; suggested by the Director of Public Instruction.

5. Mrs. Deighton having being appointed for the lecturing work with effect from 5th September 1913, it is *not* known why the Director of Public Instruction has taken so much time in applying for necessary sanction of Government. For orders whether the Educational department may be requested to consider the point and to invite the Director of Public Instruction's attention to the irregularity, if necessary.

I think so. We do it with others.
